ANNUAL TOWN MEETING

March 24, 1951

The meeting was called to order by the Town Clerk at 2:00 o'clock, P.M.

Article two:

Voted: Mr. Amedeo V. Sgarzi, Moderator.

Article three:

Mr. Reubin Winokur reported for the Insurance Committee, and it was voted: That the report of the Committee on Insurance be accepted, and that the Board of Selectmen be directed to study the matter further, confer with all other departments involved, adopt a comprehensive insurance plan for the Town, the report of the Selectmen on this matter be filed not later than December 1, 1951.

Mr. Joseph H. Nogueira reported for the Public Welfare Committee, and it was voted: That their report be accepted and that this committee be continued for another year.

Mr. James A. White reported for the Old High School Survey Committee, and it was voted: That since the Board is unable to make a final report with definite recommendations, that it be continued for another year.

Mr. Howard P. Barnes reported for the Committee on Representative Town Government and it was voted: That the study and authority of the committee be extended for another year; to report on or before March 1952.

Mr. George C. P. Olsson reported for the Special Beach Park Committee and it was voted: That authority be given for the committee to be continued.

Mr. Harold E. Giles reported for the Plumbing By-Laws Committee, and it was voted: That the committee be continued for another year to bring a revision of the plumbing by-laws before the Town.

Article four:

Voted: That the Town authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1952, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article five:

Mr. Robert B. Bowler moved: That the Town amend Schedule A and Exhibit B of the Wage and Salary By-Law as recommended in the printed report of the Advisory and Finance Committee.

Mr. Howard P. Barnes moved to amend: That the Town take no action under Article 5, but the motion was lost.

The original motion was then put before the meeting and carried.

Article eight:

Voted: That the Town raise and appropriate the sum of eighteen thousand two hundred and fifty-four dollars and twelve cents (\$18,254.12), including the dog tax of \$2,385.02, in aid of the Plymouth Public Library, \$13,581.12 of which shall be for Salaries, retroactive to January 1, 1951, and \$4,673.00 for Other Expenses.

Article nine:

Voted: That the Town raise and appropriate the sum of five thousand two hundred and eight dollars (\$5,208) to be expended by the Plymouth Public Library for the Loring Library.

Article ten:

Voted: That the Town raise and appropriate the sum of one thousand two hundred and fifty-five dollars (\$1,255) in aid of the Manomet Public Library.

Article eleven:

Voted: That the Town raise and appropriate the sum of six hundred dollars (\$600) for the observance of Memorial Day, to be expended under the direction of the Board of Selectmen.

Article twelve:

Voted: That the Town raise and appropriate the sum of eight hundred and fifty dollars (\$850) for observance of July Fourth, to be expended under the direction of the Board of Selectmen, \$150 of this amount to be expended for the sponsoring of children's sports.

Article thirteen:

Voted: That the Town raise and appropriate the sum of three hundred and fifty dollars (\$350) for the observance of Armistice Day, to be expended under the direction of the Board of Selectmen.

Article fourteen:

Voted: That the Town raise and appropriate the sum of five hundred dollars (\$500) for the observance of Thanksgiving Day, to be expended under the direction of the Board of Selectmen.

Article fifteen:

Voted: That the Town raise and appropriate the sum of three thousand nine hundred dollars (\$3,900) for the employment of one or more district nurses, said appropriation to be expended under the direction of the Board of Selectmen.

Article sixteen:

Voted: That the Town raise and appropriate the sum of one hundred and fifty dollars (\$150) for the use of the

Plymouth County Trustees for County Aid to Agriculture and choose a Town Director.

On motion of James T. Frazier, Voted: That Robert B. Bowler be appointed Town Director of County Aid to Agriculture.

Article seventeen:

Mr. Robert B. Bowler moved: That the Town raise and appropriate the sum of thirteen hundred dollars (\$1,300) for compensation and expenses of the Dog Officer required by Chapter 320 of the Acts of 1934, \$1,000 of which shall be for Salary retroactive to January 1, 1951, and \$300 for Other Expenses.

Mr. James T. Frazier moved to amend the motion by substituting the figure \$1,600 for the figure \$1,300 and the motion was carried.

The original motion as amended was then put before the meeting and carried.

Article eighteen:

Voted: That the Town accept fourteen cemetery perpetual care funds, amounting to three thousand nine hundred and fifty dollars (\$3,950), received and deposited in the Plymouth Savings Bank and the Plymouth Federal Savings and Loan Association in the year 1950 in accordance with the usual votes of the Cemetery Commissioners and Selectmen, and listed as New Funds in the Town Report.

Article nineteen:

Voted: That the Town raise and appropriate the sum of fifteen thousand dollars (\$15,000) for the Reserve Account in the hands of the Advisory and Finance Committee.

Article twenty:

Voted: That the Town raise and appropriate or transfer from available funds the sum of \$36,000 under the provisions of Chapter 90 of the General Laws for the improvement of Rocky Hill Road, contributions from the State and County to be returned to the Excess and Deficiency Account.

Article twenty-one:

Mr. Robert B. Bowler moved: That the Town take no action under Article 21.

Mr. Thomas Quinn moved that the motion of the Finance Committee be amended by substituting therefor the following: That the Town vote to authorize the Board of Selectmen to grant to Plymouth Memorial Post No. 1822, Veterans of Foreign Wars, the reversionary interest now held by the Town in the real estate owned by the said Post and described as follows: A parcel of land with the building thereon, said parcel containing 9,690 sq. ft. on the westerly side of Spring Street, in said Plymouth, being Lot 110 on Plat No. 19 of the Assessors' maps, bounded and described as follows: Southerly by land of Mary Kaplowitz and by land of Ruth E. Raymond, 158.6 feet; Westerly by land of William H. and Margaret L. Hall, 62.0 feet; Northerly by land of Dorothy M. Johnson and by land of Lillian M. Thimas, 155.1 feet; and Easterly by Spring Street, 60.75 feet; provided that the Post will undertake to reconvey the same reversionary interest to the Town after having mortgaged the property. The motion was carried.

The original motion as amended was then put before the meeting and carried.

Article twenty-two:

Voted: That the Town assume liability in the manner

provided by Section 29 of Chapter 91 of the General Laws, as amended by Chapters 516 and 524, Acts of 1950, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tide-waters, foreshores and shores along a public beach outside of Boston Harbor, including the Merrimack and Connecticut Rivers, in accordance with Section 11 of Chapter 91 of the General Laws and to authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

Article twenty-three:

Voted: That the Town raise and appropriate or transfer from available funds the sum of \$5,550, to be expended by the Park Commissioners for moving the bathhouse and setting it up on the new location and that the Town further vote to authorize the Special Beach Park Committee to work with the Park Commissioners in carrying out this project.

Article twenty-four:

Mr. Robert B. Bowler moved: That the Town refer this proposal to the Planning Board for further study.

Mr. Thomas Quinn moved that the motion of the Finance Committee be amended by substituting therefor the following: That the Town, being fully aware of the contractual obligation imposed upon a local public body by the provision of Title I of the Housing Act of 1949, which include, among other things (1) the approval of any redevelopment plan by the Town with appropriate finding: (a) that financial aid by the Federal Government is necessary; (b) that the redevelopment plans for the redevelopment areas in the Town will afford maximum opportunity, consistent with the sound needs of

the Town as a whole, for the redevelopment of such areas by private enterprise, and (c) that the redevelopment plan conform to a general plan for the development of the Town as a whole; (2) the provisions for local grants-in-aid; and (3) the development of a feasible method for the relocation of families displaced from the project area, vote (1) to request the Administrator of the Housing and Home Finance Agency to make a reservation for the Town of capital grant funds for purposes of Title I of the Housing Act of 1949 in an amount not exceeding \$124,740, and (2) to approve the filing of an application by the Plymouth Housing Authority for the preliminary advance of funds of \$10,000 from the Housing and Home Finance Administrator under Title I to make surveys and studies and preliminary plans for the redevelopment of the area substantially bounded by High, Market and Summer Streets. The motion was lost.

The original motion was then put before the meeting and carried.

Article twenty-five:

Voted: That the Town raise and appropriate or transfer from available funds the sum of \$23,000, of which \$10,000 shall be appropriated from the Excess and Deficiency Funds, for the fencing and landscaping of grounds for completing the equipment for the new Cold Spring School building being constructed by vote of the Town under Articles 63, 64, and 65 of the last annual Town Meeting.

Article twenty-six:

Voted: That the Town raise and appropriate or transfer from available funds the sum of \$2,500 for the purchase for school purposes from David A. Cappannari of a parcel of land on the south-westerly side of Union

Street, containing 45,100 square feet and comprising Lot 160 of Plat 20 of the Assessors' Plans.

320 voting in the affirmative and 3 voting in the negative, the motion was carried.

Article twenty-seven:

Voted: That the Town raise and appropriate or transfer from the Post-War Rehabilitation Fund a sum of \$7,000 for making repairs and improvements in the Mt. Pleasant School building; said repairs to include: interior painting, refinishing floors in classrooms, installation of new fixtures in boys' toilets and other needed repairs.

Article twenty-eight:

Voted: That the Town raise and appropriate or transfer from the Post-War Rehabilitation Fund the sum of \$4,000 for making repairs and improvements in the Oak Street School; said repairs to include: replacement of present furnace with oil burner, installation of new floors in classrooms and corridors, new fixtures in boys' toilets and other needed repairs.

Article twenty-nine:

Voted: That the Town raise and appropriate or transfer from available funds the sum of \$400 to be expended by the Highway Department for approximately 150' of chain link fence to enclose the corner of Bourne Street and Standish Avenue.

Article thirty:

Voted: That the Town raise and appropriate or transfer from available funds the sum of \$1,220.10 for the purchase of a new car for the school nurse and to dispose of the car now in use.

Article thirty-one:

Mr. Robert B. Bowler moved: That the Town raise and appropriate or transfer from the Post-War Rehabilitation Fund the sum of \$10,000, to be expended by the Manomet School Committee, to make further detailed study, consult with other architects and obtain plans, specifications and complete costs for an addition to the present school and also plans for a new school; said committee to be directed to work with the Planning Board and, after consultation with the School Committee, to submit a full report at a special Town Meeting to be held not later than October 1st of this year.

Mr. Howard Barnes moved to amend: That a committee consisting of the committee appointed under Article 75 of the annual meeting in 1950, together with the Planning Board, be constituted the Manomet School Building Committee, and that this committee study further the need for providing additional school facilities in Manomet. If in the opinion of this committee such additional facilities are needed, then to make recommendations for the kind of facilities which are needed, the site for the school or addition to the present school, procure architect's plans and estimates for the cost of the facilities and site, the sum of \$5,000 to be appropriated or transferred from the Post-War Rehabilitation Fund for the use of this committee, the committee to make its report to the Town not later than October 1, 1951. The motion was lost.

The original motion was then put before the meeting and carried.

Article thirty-two:

Voted: That the Town take no action under Article 32.

Article thirty-three:

Voted: That the report of the Sewage Committee be

accepted with thanks, and that the Town take no action under Article 33.

Article thirty-four:

Voted: That the Town take no action under Article 34.

Article thirty-five:

Voted: That the Town raise and appropriate or transfer from available funds the sum of \$830 for the purchase of an automobile equipped with Leese-Neville alternator for the Police Department and to dispose of one in service.

Article thirty-six:

Voted: That the Town take no action under Article 36.

Mr. Frazier moved to adjourn the meeting until Tuesday evening, March 27, 1951, at 7:30 P.M. and the motion was carried.

ADJOURNED MEETING, MARCH 27, 1951

Article thirty-seven:

Voted: That the Town raise and appropriate or transfer from available funds the sum of \$1,200 for the extension of the sewer line in Knapp Terrace.

Article thirty-eight:

Voted: That the Town raise and appropriate or transfer from available funds the sum of \$1,200 for the extension of the sewer line in Braunecker Road.

Article thirty-nine:

Voted: That the Town raise and appropriate or transfer from available funds the sum of \$950 for the purchase of sewer cleaning equipment for sewer lines for the Highway Department.

Article forty:

Voted: That the Town raise and appropriate or transfer from available funds the sum of \$3,000 for the purchase of a 2-ton dump truck for the Highway Department and to dispose of one in service.

Article forty-one:

Voted: That the Town raise and appropriate or transfer from available funds the sum of \$1,700 for painting the outside of the Memorial Building, to be expended under the direction of the Board of Selectmen.

Article forty-two:

Voted: That the Town take no action under Article 42.

Article forty-three:

Voted: That the Town adopt the Civil Defense By-Law, in accordance with Chapter 639 of the Acts of 1950, as shown in the printed report of the Advisory and Finance Committee.

Article forty-four:

Voted: That the Town raise and appropriate the sum of \$500 for Civil Defense, said appropriation to be expended under the direction of the Board of Selectmen.

Article forty-five:

Voted: That the Town raise and appropriate or transfer from available funds the sum of \$950 to repair and repaint the under part of the arch of the bridge over Town Brook on Market Street, said appropriation to be expended under the direction of the Board of Selectmen.

Article forty-six:

Voted: That the Town direct the Public Safety Commission to revise the building by-laws and to present its recommendations to the Town for acceptance at a later date.

Article forty-seven:

Voted: That the Town take no action under Article 47.

Article forty-eight:

Voted (Unanimously) That the Town adopt the proposed Zoning By-Law, as shown on the back page of the printed report of the Advisory and Finance Committee and to raise and appropriate the sum of \$500 for Expenses of the Board of Appeals.

Article forty-nine:

Voted: That the Town raise and appropriate the sum of \$400 for additional expenses of the Zoning Board, appointed under Article 94 of the Town Meeting Warrant of March 25, 1950.

Article fifty:

Voted: That the Town raise and appropriate the sum of five hundred dollars (\$500) for the pruning of dead wood and removing of trees, in accordance with Section 6, Chapter 761 of the Acts of 1949.

Article fifty-one:

Voted: That the Town vote to raise and appropriate or transfer from available funds the sum of \$2,180 for the purchase of a Mist Blower to replace a 1919 model sprayer and to dispose of the same.

Article fifty-two:

Voted: That the Town take no action under Article 52.

Article fifty-three:

Mr. Robert B. Bowler moved: That the Town take no action under Article 53.

Mr. Reubin Winokur moved: That the matter of the acquisition of an ambulance by the Town be referred to the Commission of Public Safety for study, the report of that commission to be filed not later than December 1, 1951. The motion was carried.

The original motion as amended was then put before the meeting and carried.

Article fifty-four:

Voted: That the Town raise and appropriate or transfer from available funds the sum of \$400 to seal coat the hard-surfaced road at Morton Park.

Article fifty-five:

Voted: That the Town raise and appropriate or transfer from available funds the sum of \$785 for the purchase of power driven grass cutting equipment for the Park Department.

Article fifty-six:

Voted: That the Town raise and appropriate the sum of \$500 to carry on the brush cutting and tree trimming project at Morton Park, said appropriation to be expended under the direction of the Park Commissioners, and to continue the committee appointed under Article 67 of the annual Town Meeting Warrant of 1950 and direct them to bring in their report to the Town.

Article fifty-seven:

Voted: That the Town take no action under Article 57.

Article fifty-eight:

Voted: That the Town take no action under Article 58.

Article fifty-nine:

Voted: That the Town raise and appropriate the sum of \$1,000 to be expended by the Park Department for cleaning Town Brook at Brewster Garden and Spooner Park.

Article sixty:

Voted: That the Town authorize the Water Commissioners to make an exploration for a new ground water supply and to construct an 8" test well and to raise and appropriate or transfer from available funds the sum of \$3,000 therefor.

Article sixty-one:

Voted: That the Town raise and appropriate or transfer from available funds the sum of \$1,200 for the purchase of a new pick-up truck for the Water Department and to dispose of one now in service.

Article sixty-two:

Mr. Robert B. Bowler moved: That the Town take no action under Article 62.

Mr. Edward Belcher moved to amend: That the Town authorize the Water Commissioners to lay and maintain a water main in Rocky Hill Road together with fire hydrants, services and other appurtenances as necessary and appropriate the sum of twelve thousand, one hundred and fifty dollars (\$12,150) therefor.

The original motion as amended was then put before the meeting and carried.

Article sixty-three:

Voted: That the Town refer the disposition of the Jabez Corner Schoolhouse and lot to the Planning Board for further study.

Article sixty-four:

Mr. Robert B. Bowler moved: That the Town authorize the Board of Selectmen, at its discretion, to sell at public auction, the building and the land known as the Cold Spring Schoolhouse and lot, such transfer not to take place before June 30, 1951.

Mr. Reubin Winokur moved to amend: That this matter be referred to the Planning Board for study, and the motion was carried.

The original motion as amended was then put before the meeting and carried.

Article sixty-five:

Voted: That the Town authorize the Board of Selectmen to execute releases of all demands concerning the takings by the Commonwealth of Massachusetts of the following parcels of land of the April 10, 1950, lay-out: Parcels Nos. 15 and 21, Parcels Nos. 12-T and 16-T. (Plymouth By-Pass)

Article sixty-six:

Voted: That the Town accept Chapter 783 of the Acts of 1950, an act making applicable increases in retirement allowances to those persons retired after January 1, 1946, with a minimum allowance.

Article sixty-seven:

Voted: That the Town accept Chapter 820 of the Acts of 1950, an act providing for an increase in the annual amounts of certain pensions, retirement allowances, annuities and other benefits payable by the Commonwealth and its political sub-divisions to certain former employees and persons claiming under them, and that the Town further vote to raise and appropriate the sum of \$225 to carry out the provisions of this act, to be allocated as follows:

Fire Dept., Salaries	\$75.00
Sealer W. & M., Salaries	75.00
Pensions for Town Laborers	75.00

Article sixty-eight:

Voted: That the Town authorize the Moderator to appoint a committee of five (to investigate and study the provisions of Chapter 662 of the Acts of 1949, an act to authorize the organization of Union Health Departments, and to report its findings to the next annual Town Meeting), said committee not to include any member of the Board of Health of the Town of Plymouth.

Article sixty-nine:

Voted: That the Town take no action under Article 69.

Article seventy:

Mr. Donald S. Davis moved: That the Committee appointed under Article 96 of the Town Meeting held March 25, 1950, to study Representative Town Government, be continued for another year for further study, with the authority to hold public hearings, and file their report with the Town by December 1, 1951. The motion was carried.

Mr. William H. Armstrong moved the following Re-

solve: That it be the sense of the meeting that the Selectmen be requested to insert an article in the next Town Warrant to reduce the quorum of 400 as adopted at a previous Town Meeting to 200 or less as determined by the Board of Selectmen, but the motion was lost.

Article seventy-one:

Voted: That the Town raise and appropriate the sum of \$750 for the purpose of maintaining during the ensuing year the mosquito control works as estimated and certified to by the State Reclamation Board, in accordance with the provisions of Chapter 112, Acts of 1931.

Article seventy-two:

Voted: That the Town transfer from the receipts from Parking Meter Fees the sum of \$285 for Parking Meter Expenses, \$185 of which shall be for care of the meters by the Police Department and \$100 for wrappers and supplies for the Treasury Department.

Article seventy-three:

Voted: (Unanimously) That the Town accept and allow as a Town way from the end of Westerly Route, as laid out in 1928, southeasterly about 200 feet to Billington Street, reserving to Christina W. Bowler, and/or her heirs and assigns, a strip of land 5 feet wide at right angles across this layout for the purpose of maintaining a pipe, as laid out by the Selectmen and reported to the Town, and to raise and appropriate the sum of \$100 for land and property damages and expenses of acquiring titles.

Article seventy-four:

Voted: (Unanimously) That the Town accept and allow as a Town way, Cochituate Road in the Priscilla

Beach section of Plymouth about 1200 feet long, leading northeasterly from Rocky Hill Road to John Alden Road, as laid out by the Selectmen and reported to the Town, and to raise and appropriate the sum of \$100 for land and property damage and expenses of acquiring titles.

Article seventy-five:

Voted: That the Town raise and appropriate the sum of \$5,000 for advertising the advantages of the Town, together with the sum of \$500 which has been contributed by donation and paid into the Town Treasury and which the Town hereby accepts, the total to be expended for the aforesaid purpose under the direction of the Board of Selectmen.

Article seventy-six:

Voted: That the Town reconvey to Mary C. Welsh, for one dollar, a parcel of land on the northerly side of Alden Street in said Plymouth bounded and described as follows: Westerly by land of the Town of Plymouth 201.18 feet; northwesterly by land of the Town by two courses, 74.80 feet and 87.13 feet respectively; southeasterly by other land of the said Mary C. Welsh 141.51 feet; easterly by said land of Welsh 210.71 feet, said parcel containing 2900 square feet, more or less.

Article seventy-seven:

Voted: That the Town authorize the Moderator to appoint a committee of three members, (to work in conjunction with the Planning Board to make a survey and study the feasibility of constructing and maintaining a fire station in that part of Plymouth known as Manomet, said committee to report its recommendations at the next Town Meeting, and that the Town further vote to raise and appropriate the sum of \$100 for Expenses of said committee).

Article seventy-eight:

Voted: That the Town take no action under Article 78.

Article seventy-nine:

Voted: That the Town take no action under Article 79.

Article eighty:

Voted: That the Town raise and appropriate the sum of \$15,000 for the purpose of continuing the Survey and Assessors' Plans, to be expended under the direction of the Assessors, with the approval of the Planning Board.

Article eighty-one:

Mr. Robert B. Bowler moved: That the Town take no action under Article 81.

Mr. David B. Avery moved to amend: That the Town appropriate a sum of money, not to exceed seven hundred and twenty-five dollars (\$725) for a 5 H. P. electric siren, remote control, for the Manomet section, to be used for a fire alarm.

The vote was taken by a show of hands; 245 voting in the affirmative and 94 in the negative, the motion was carried.

The original motion as amended was then put before the meeting and carried.

Article eighty-two:

Voted: That the Town take no action under Article 82.

Article eighty-three:

Voted: That the Town raise and appropriate or transfer from available funds the sum of \$1,775 for the purchase of 500' of 2½" hose, and 100 feet of 1½" hose for the Fire Department.

Article eighty-four:

Voted: That the Town raise and appropriate or transfer from available funds the sum of \$478 for the purchase of an automobile for the Fire Department and to dispose of one in service.

Article eighty-five:

Voted: That the Town authorize the Board of Selectmen to dispose of a 1936 Ford truck, which has been taken out of service and has been replaced by Engine No. 1 from Central Station.

Article eighty-six:

Voted: That the Town raise and appropriate the sum of \$150 for the purchase of signs and life preservers for White Horse Beach, Priscilla Beach and Point Beach, said appropriation to be expended under the direction of the Board of Selectmen.

Article eighty-seven:

Voted: That the Town take no action under Article 87.

Article eighty-eight:

Mr. Robert B. Bowler moved: That the Town direct the Moderator to appoint a committee of five, to work in conjunction with the Public Safety Commission, to study the matter of a 40-hour week for the Police Department, with authority to petition the General Court for any necessary enabling legislation, and to report its findings at the next regular or special Town Meeting.

Mr. James A. White moved to amend: That the Town reduce the active working hours of the members of the Police Department to forty (40) hours a week without reduction in pay and appropriate thirty-nine hundred dol-

lars (\$3,900) to be added to the Police appropriation to carry this out. The motion was carried.

Mr. Robert B. Bowler then moved to reconsider Item 32 of Article 5 with reference to Police Sergeants' and Patrolmen's Salaries but the motion was lost.

The original motion as amended by Mr. White was then put before the meeting and carried.

Article eighty-nine:

Mr. Robert B. Bowler moved: That the Town take no action under Article 89.

Mr. Ralph K. James moved to amend: That the Town vote to direct the Selectmen to sell to Gordon L. Howland the lots of land known as "Plymouth Town Wharf Property, Lots 5, 6, 11" for the sum of \$10,000, provided that the deed contains the same restrictions found in the present lease. The motion was carried.

The original motion as amended was then put before the meeting and carried.

Article ninety:

Voted: That the Town raise and appropriate the sum of \$200 for painting grandstand and other improvements at Veterans' Field, to be expended under the direction of the Park Commissioners, and that the Town further vote to authorize the Moderator to appoint a committee of five to study the present playground facilities and make recommendations to the Town with regard to future improvements at all playgrounds.

Article ninety-one:

Voted: That the Town authorize the Moderator to appoint a committee of five, to work in conjunction with the Planning Board, to study off-street parking and report

its findings and recommendations to the Town and that the Town further vote to raise and appropriate the sum of \$500 for Expenses of said committee.

Article ninety-two:

Voted: That the Town take no action under Article 92.

Article ninety-three:

Voted: That the Town take no action under Article 93.

Article ninety-four:

Voted: That the Town accept the report of the Special Town Report Committee and refer it to the Selectmen for their consideration.

Article ninety-five:

Voted: That the Town raise and appropriate or transfer from available funds the sum of \$1,500, to be spent in conjunction with sums to be provided by the Commonwealth of Massachusetts or County of Plymouth, or both, for the construction of groins or jetties or other waterfront protection along the shore at Ellisville between Ellisville Harbor and Lookout Point.

Article ninety-six:

Voted: That the Town take no action under Article 96.

Article ninety-seven:

Voted: That the Town take no action under Article 97.

REPORT OF
ADVISORY AND FINANCE COMMITTEE
on the
Articles in the Town Warrant
March 24, 1951

This year the Town is again faced with the largest request ever for departmental budgets, a total of \$1,791,000, which is 11% more than was spent last year. If the Finance Committee recommendations are followed in Article 7, the total of the budgets will still be over 8% higher than was spent in 1950. However, more than 70% of the recommended increase is due to salary and wage increases. More detailed comments on salaries and wages appear below. The Committee feels that the individual town employee must not be penalized by budget cuts. The increase of both state and federal expenditures during the next few years will place a heavier tax burden on all of our citizens. This burden may be intolerable unless the Town begins to think about curtailing its services. The expression "Guns or Butter" may be trite, but it is nevertheless vitally true today. We strongly recommend, therefore, that the Selectmen request several outstanding citizens to join with them during the next year to make a detailed study of ways and means of reducing the budgets of the several town departments. With the increased demand for man power, it is very probable that Town personnel will be automatically reduced without causing hardship to any individual. With the increased growth of town government, the demands on the Finance Committee have grown tremendously. It is very doubtful if we could function at all without the help of the various committees and boards, both permanent and temporary, which have been authorized by the Town each year. This is especially true of the Personnel Board created last year. They have lifted a big burden from our shoulders, as we have never had the time nor information to fairly judge the justification of changes and adjustments in wages and salaries.

SALARIES AND WAGES

The Personnel Board has inserted an article in the Warrant to revise the salary schedule of positions coming under

the Salary Classification By-Law. This revised schedule provides for an increase of 10% in all salaried positions and 10¢ per hour in wages. This action has been taken to comply with recommendation No. 8, made by the Wage and Salary Classification Committee in their report, which was accepted and approved by the Town at the meeting of March, 1950. This recommendation provided that "the Personnel Board shall make studies of the cost of living and comparative wages and shall make recommendations to the Town."

The Personnel Board's study indicated that an upward revision of approximately 10% is necessary. In March 1950, the Federal Cost of Living Index was 167.0. In Dec. 1950 it had reached 178.4, an increase of 11.4. The figures for March 1951 are considerably higher. The March 1950 Mass. Cost of Living Index was 157.6. In Feb. 1951 it was 171.2 — up 13.6. Industrial wages in the Plymouth area show a similar trend. Our largest industrial concern has increased wages by 10%.

A study of municipal salaries in 29 towns comparable to Plymouth, based on figures supplied by the Mass. Federation of Taxpayers' Ass'n, indicates that Plymouth has lost ground in relative standing since the Classification Plan was adopted. The loss of standing between 1948 and 1949 alone was about 7 to 9% and does not include advances made by these towns in their 1950 and 1951 meetings, which would increase this differential.

All factors supported the conclusion that an upward revision is necessary and careful analysis indicated that 10% is an equitable figure at this time. The citizens will note that the Personnel Board's findings have been closely matched by the adjustment made in the National Wage Formula and by other agencies on a national level.

SUMMARY OF
REPORT OF THE SUB-COMMITTEE ON SALARIES
OF ELECTED TOWN OFFICIALS

John W. Searles, Chairman
Warren Girard
Donald E. Ticknor

The Chairman of the Finance and Advisory Committee appointed a sub-committee in 1950 to study the salaries of

elected town officials, with a view to recommending action on such salaries for 1951.

The sub-committee has made comparisons with salaries paid in 1950 in 15 other towns in Massachusetts with populations ranging between 11,804 and 22,000 (Plymouth being 13,652). Data was secured from these towns by sending the Town Accountant a questionnaire covering pertinent points.

The following towns co-operated in the survey; general information was also secured, as indicated below:

Town	Year-Round Population	Area Square Miles	Total Assessed Valuation 1950	Assessed Valuation Per Capita
Athol	11,804	33.75	\$11,978,212	\$1,023
Swampscott	12,281	3.1	24,406,576	1,990
Andover	12,300	32.0	17,608,085	1,430
Adams	12,724	23.62	10,008,700	785
Clinton	13,000	5.0	12,000,000	922
Stoneham	13,028	6.66	18,221,525	1,400
Webster	13,534	14.39	18,302,269	1,350
PLYMOUTH	13,652	106.0	24,738,705	1,810
Reading	13,869	9.9	22,655,935	1,640
Winchester	15,567	6.45	35,596,975	2,285
Danvers	15,708	13.9	15,149,850	964
Milford	15,801	16.0	13,791,150	871
Needham	16,262	12.75	36,771,000	2,260
Lexington	17,059	16.64	28,684,615	1,685
Saugus	17,146	12.7	20,536,714	1,198
Natick	22,000	15.99	24,152,400	1,100
Average	14,800	20.5	20,900,000	1,415

Certain things are clear in the above tabulation, as follows:

1. Plymouth is slightly lower in population (7%) but higher in assessed valuation (approximately 20%) than the average of other towns studied.
2. Although Plymouth's area is actually much greater (about 3 times) than the largest of other towns studied, and seven times the average of the other towns, these ratios are not realistic for direct salary comparisons because of the large areas of non-taxable land in Plymouth — about 25% is State Reservation land, and much land around the ponds is non-taxable as it is owned by the Scout organizations, etc.

Recommendations:

The sub-committee recommends that the salaries of elected officials be increased approximately 10% in line with the 10% increase applicable to other town salaries and wages at this time, as follows:

		Old Salary	New Salary
Board of Selectmen:	Chairman	\$726.00	\$800.00
	Members	363.00	400.00
Board of Assessors:	Chairman	3,339.60	3,675.00
	Members	2,987.60	3,190.00
Town Clerk		2,230.00	2,455.00
Town Treasurer		2,230.00	2,455.00
Tax Collector		3,470.00	3,820.00

Supporting data for the above recommendations are as follows:

A. Selectmen.

Salaries paid in 16 towns, in 1950, including Plymouth:

	Chairman	Selectmen
Plymouth	\$726	\$363
Average	429	352
Range	\$ 0 - \$740	\$ 0 - \$690

No. towns paying:

0 - 100	1	1
101 - 200	3	3
201 - 300	1	1
301 - 400	1	5P
401 - 500	5	3
501 - 600	2	2
601 - 700	1	1
701 - 800	2P	

P—including Plymouth

Note: (1) Winchester selectmen serve without pay; this town is next to highest in the group in assessed valuation and nearly 50% higher than Plymouth.

(2) Reading pays \$200 and \$150 to Chairman and Selectmen, respectively, for expenses. These amounts were included above, as salaries.

Conclusion: Plymouth's 1950 salaries compare favorably with those of the other towns. Assuming the other towns to go up 10% this year, we should do so, but to do more would put us out of line. Data supplied were not adequate to indicate hours worked, although wide variation was indicated. In general this survey indicates that towns do not consider that selectmen should be very highly paid.

We recommend increasing their salaries 10% in line with action on other Town wages and salaries.

B. Assessors' Department.

All towns studied had 3 assessors, except one, which had 4. The number of clerks varied from none to 3, about half the towns having more than one. Thus, the total number in the department varied from 3 to 6, the average being 4.5.

Following is a tabulation of salary and cost data related to the *assessment job*:

	Total of Assessors' Salaries Only	Total Salaries includ. clerks	Total Annual Cost Per Capita (cents)	Total Annual Cost Per \$1,000 Assessed Valuation (cents)
Plymouth	\$9,135	\$12,061	88.3	48.7
Average	4,600	7,380	49.5	38.6
Range	1200 - 9135	4,000 - 12,140	32.6 - 88.3	16.4 - 74.6

No. towns paying:

1,001- 2,000	2	3,001- 4,000	1	31-40	5	11-20	1
2,001- 3,000	3	4,001- 5,000	1	41-50	3	21-30	5
3,001- 4,000	2	5,001- 6,000	2	51-60	5	31-40	4
4,001- 5,000	3	6,001- 7,000	4	61-70	2	41-50	3P
5,001- 6,000	2	7,001- 8,000	3	71-80	0	51-60	1
6,001- 7,000	2	8,001- 9,000	2	81-90	1P	61-70	0
7,001- 8,000	0	9,001-10,000	1			71-80	2
8,001- 9,000	1	10,001-11,000	0				
9,001-10,000	1P	11,001-12,000	0				
		12,001-13,000	2P				

P—including Plymouth

Conclusions:

Plymouth is at the top of the range in total salaries paid to its assessors and to its assessors' department and in cost per capita, and is somewhat above the average in cost per \$1,000 of assessed valuation. Because of the large area of Plymouth, it may be expected that the first three factors

might be on the high side of the average and that the fourth factor would be above average. Furthermore, it is to be noted that the combined salaries of our three assessors is \$9,135 per year, and we have one full- and one part-time clerk to help them; Clinton, the next highest, pays its assessors \$8,500 and has no clerk; the next highest is Natick which pays 3 assessors \$6,440 and has 3 clerks (Total salaries \$12,140).

It seems obvious, therefore, that our assessors are well paid, in comparison with several other towns about our size, that our total costs for the assessing job are relatively high, and that certainly no increase in the assessors' salaries other than the "cost of inflation" increase being given to other town employees appears justifiable.

It must be remembered also that whereas the non-elective town employees received no increase last year, the assessors were increased 16% for the Chairman and 19% for the others, by vote of the Town.

The Committee therefore recommends that any increase in such salaries certainly be limited to 10%.

C. Town Clerk and Treasurer.

A review of salaries paid in 1950 in the other towns studied shows the following:

	Town Clerk	Town Treasurer	Combined
Plymouth	\$2,230	\$2,230	\$4,460
Average	2,030	2,140	4,170
Range	364 - 4,576	800 - 3,600	1,164 - 6,771

No. towns paying:

0 - 500	1		
501 - 1,000	4	1	0
1,001 - 1,500	1	2	1
1,501 - 2,000	1	5	0
2,001 - 2,500	4P	4P	1
2,501 - 3,000	0	2	3
3,001 - 3,500	4	1	1
3,501 - 4,000	0	1	1
4,001 - 4,500	0		3P
4,501 - 5,000	1		1
5,001 - 5,500			0
5,501 - 6,000			2
6,001 - 6,500			2
6,501 - 7,000			1

P—including Plymouth

Conclusion:

The salary for this position is in line with the average cost of getting these two jobs done in the other towns. In towns paying the higher combined cost, the hours worked were generally in excess of one full-time job.

The Committee recommends the 10% increase applicable to other town wages and salaries.

D. Tax Collector.

Following is a summary of salaries paid:

	Tax Collector
Plymouth	\$3,470
Average	3,180
Range	\$1,924 - \$4,250
No. towns paying:	
1,501 - 2,000	2
2,001 - 2,500	1
2,501 - 3,000	1
3,001 - 3,500	7P
3,501 - 4,000	3
4,001 - 4,500	2

P—including Plymouth

Conclusion: In our opinion the salary paid for this position is in line with the average paid by other towns for this job. We recommend the 10% increase applicable to salaries of other town employees.

SCHOOLS

The budget for the School Department shows requests of almost \$503,000, approximately 13% more than was spent last year. Over 80% of the increase is for salaries, which, we believe, is justified, if we are to at least hold our own in maintaining our teaching staff.

We definitely recommend the expenditures requested in Articles 27 and 28. Under present conditions, the maintenance of our school plant in the best possible condition is real economy.

We have made no recommendation under Article 25, as we feel that the School Committee, which is also acting as the Building Committee, is in a better position to justify the additional request. However, we do believe that the actual supervision of the construction of any building of this size,

school or otherwise, should be done by a special committee, in consultation with the regular town department involved. The School Committee's primary function is to supervise the education of our children and the problems requiring their attention are difficult enough without involving them in all the details required to supervise directly the construction of a building.

MANOMET SCHOOL

Your Advisory and Finance Committee is convinced that something must be done immediately for the Manomet school children. This year there is a total of 129 pupils from the Manomet area, 10 of whom are now being transported to the Hedge School in Plymouth. The remaining 119 are being accommodated in the present three-room schoolhouse in Manomet, which is suitable for only 90 pupils at the very most. It is imperative that 35-40 pupils from Manomet be accommodated elsewhere than at the present Manomet school, beginning at the start of the school year in the fall. It is obvious that, whether an addition to the present school is made, or a new school is constructed (even if the decision can be made at this annual town meeting), it will be impossible to have additional school rooms ready in Manomet by this fall.

To solve the immediate problem for this year, and it must be at least alleviated this year, the Committee suggests that the present school be used for no more than 100 pupils during the coming school year and that the remainder be transferred to Plymouth.

With the completion of the new Cold Spring school this summer, there should be ample space in Plymouth to absorb these extra pupils without crowding any classroom much beyond the ideal limit. We appreciate the fact that it makes a long and tiring day for the children, when they must make the long bus or auto trip to Plymouth. We therefore suggest that, if possible, the lower grades be kept at the Manomet school and the older children be transported to Plymouth.

There is no question that the Special Committee has done an excellent job under difficult circumstances. They had no money with which to work and, as a result, were able to consult only one architect, who is also the architect for the new Cold Spring school. They have only preliminary drawings and rough estimates.

The present building is sound but definitely inadequate in size and in dire need of a new heating system, and fire escape, as well as modern sanitary facilities.

We realize that the present location presents some problems for enlargement of the present building; nevertheless, the estimate of \$185,000 for an addition of two classrooms, a general purpose room (for assemblies, lunch, etc.) and several small utility rooms, seems very high. If the Town constructs a new school on a different location at an estimated cost of \$243,000, what will be done with the present building, which everyone admits is basically sound? Granted, that it cannot be used much longer without a new heating system and new sanitary facilities.

However, if we operate two comparatively small school units in the Manomet area, we will only increase our operating costs and reduce efficiency. The Finance Committee is, therefore, convinced that this problem should have further detailed special study. We recommend under Article 31:

"That the Town vote to appropriate or transfer from the Post-War Rehabilitation Fund the sum of \$10,000, to be expended by the Manomet School Committee, to make further detailed study, consult with other architects and obtain plans, specifications and complete costs for an addition to the present school and also plans for a new school; said committee to be directed to work with the Planning Board and, after consultation with the School Committee, to submit a full report at a special town meeting to be held not later than October 1st of this year."

Further study of three or four months will not mean any real delay, as no new construction can reasonably be completed and ready for use much before the middle of 1952. Furthermore, we do not believe that adequate discussion and decision on a project of this size can be made at a regular town meeting, where the pressure of regular town business limits the time which should be spent on it. In previous town meetings, when a project of this size had to be considered, the result has often been that inadequate consideration has been given to subsequent articles.

Following the practice of past years, we present herewith a summary of departmental expenditures for 1950, as itemized in Schedule B of the Town Accountant's report included in the Town Report.

General Government	\$96,000	4.3%
Protection of Persons and Property	189,000	8.5
Health and Sanitation	78,000	3.5
Highways	148,000	6.6
Charities	724,000	32.6
Veterans' Benefits	37,000	1.7
Schools	627,000	28.2
Libraries	22,000	1.0
Recreation	33,000	1.5
Unclassified	50,000	2.2
Water	140,000	6.3
Other Enterprises	1,000	.1
Cemeteries	28,000	1.3
Town Debt and Interest	49,000	2.2
	\$2,222,000	100.0%

The following summary shows the transfers authorized by the Committee from the Reserve Account of \$10,000, placed in their hands at the annual town meeting in 1950.

Transfer from Reserve Overlay	\$7,000.00
Appropriation	3,000.00
	\$10,000.00

Transfers to:	
Selectmen's Dept., Other Expenses	\$228.50
Selectmen's Dept., Out-of-State Travel	100.00
Tax Collector's Dept., Other Expenses	135.87
Assessors' Dept., Other Expenses	145.00
Law Dept., Salaries	150.00
Election and Registration, Salaries	420.38
Election and Registration, Other Expenses	34.16
Town House Repairs	88.16
Town Hall, Fuel	150.00
Police Dept., Salaries	50.60
Police Dept., New Cable	198.64
Forest Warden's Dept., Other Expenses	45.00
Civil Defense	500.00
Health Dept., Salaries	300.00
Health Dept., Other Expenses	1,300.00
Sewers	2,300.00
South and Mt. Pleasant St. Sewer Construction	1,000.00
Roads and Bridges, Other Expenses	204.80
Parking Meter Expenses, Treasury Dept.	7.73
Harbor Master, Salaries	82.05
School Dept., Transportation	200.00
School Athletic Program	200.00
Plymouth Public Library	129.00
Loring Library	18.00
Miscellaneous Account, Salaries	15.00
Miscellaneous Account, Other Expenses	112.61
O. G. and V. H. Cemeteries, Salaries	64.36

Total Transfers		8,179.86
-----------------	-------	----------

Balance to Reserve Overlay			\$1,820.14
----------------------------	--	-------	------------

The following summary of expenditures recommended by your committee for 1951, presented below, should indicate approximately what tax rate will result, if our recommendations are followed and if the funds from other sources than the tax levy are as estimated. Based on the 1950 valuation of approximately \$27,000,000, the tax rate would be approximately \$46. A conservative estimate of \$1,000,000 increase in the valuation in 1951 will reduce this estimated tax rate to approximately \$44.50.

Total of appropriations — Article 7	\$1,746,633.02
Total of special articles	160,995.22
State and County assessments (net)	125,725.35
Overlay deficits — 1948 and 1949	508.60
Overlay for 1951 (estimate)	25,000.00

Total recommended expenditures \$2,058,862.19

Estimated Receipts	\$724,699.39
*Excess and Deficiency	66,818.10
Post-War Rehabilitation Fund	21,000.00
Parking Meter Receipts	285.00

Total of funds from other sources than the tax levy 812,802.49

Net amount to be raised by taxation	\$1,246,059.70
Poll Tax 1951	9,198.00

Total to be raised by Real Estate and Personal
Property Taxes \$1,236,861.70

We would like to extend our thanks and appreciation to the various departments and offices of the Town for the fine co-operation and reasonable attitude they have shown us.

We regret that it has been impossible to make this report available to the Town earlier; unfortunately, some of the budgets were delayed, which held up our consideration. We hope in the future that it will be possible to submit at least estimated budgets in December and that some method may be worked out to close the warrant earlier, and reduce the number of special articles. We also believe it would be helpful if the special committees could submit their findings to the Finance Committee by December first or very shortly thereafter.

In closing, we will, of course, be glad to present our reasoning in reaching our recommendations on any particular

points where questions may arise, in order that the voters of the Town may reach their own conclusions on each issue.

Respectfully submitted,

ADVISORY AND FINANCE COMMITTEE

Robert B. Bowler, Chairman; Amedio Barufaldi, Harris B. Cohen, John W. Searles, Donald E. Ticknor, Robert M. Briggs, Anthony Caramello, Andrew J. Carr, Warren R. Girard, George S. Wild, Lawrence Bongiovanni, William H. Franks, Antone Morgardo, Stanley D. Roberts, Alfred R. Meyer, Jr.

Attested: Cora B. Grady, Secretary

Article 5. To see if the Town will vote to amend the Wage and Salary Classification By-Law as recommended by the Personnel Board.

Recommendations of the Personnel Board:

- (a) To amend Schedule A of the Wage and Salary Classification by-law by adding, under the heading "Health and Welfare," the classification of "Welfare Agent."
- (b) To amend Exhibit B of the Wage and Salary Classification by-law by the substitution of the following minima and maxima, to be effective as of January 1, 1951:

ASSESSORS' DEPARTMENT

Ref. to Appendix	Classification	Proposed Salary or Wage	
		Minimum	Maximum
	Assessors' Clerk	\$1,761.00	\$2,203.00
	Assessors' Typist-Clerk	1,520.00	1,902.00

CEMETERY DEPARTMENT

Cemetery Superintendent	2,750.00	3,438.00
Cemetery Foreman	2,184.00	2,734.00
Cemetery Clerk	1,552.00	1,941.00
Truck Driver-Laborer	1.05	1.15
Gravedigger	1.05	1.15
Laborer	1.00	1.10

HEALTH DEPARTMENT

1 Sanitary Inspector	2,269.00	2,846.00
Asst. to Board of Health	2,184.00	2,734.00
Caretaker of Dump	2,158.00	2,809.00
Truck Driver-Laborer	1.05	1.15
Laborer	1.00	1.10

LIBRARY

	Librarian	2,750.00	3,438.00
2	Branch Librarian, Loring	1,646.00	2,072.00
	Children's Librarian	2,057.00	2,574.00
3	Cataloger	1,234.00	1,544.00
2	General Assistant, Loring	1,101.00	1,378.00
	General Assistant, Circulation	1,799.00	2,250.00
	General Assistant, Records	1,799.00	2,250.00
4	General Assistant	1,535.00	1,920.00

PARK DEPARTMENT

Ref. to Appendix	Classification	Proposed Salary or Wage	
		Minimum	Maximum
	Park Superintendent	3,025.00	3,781.00
5	Recreation Supervisor	2,163.00	2,709.00
5	Recreation Instructor	1,596.00	1,997.00
5	Caretaker (without concession)	2,000.00	2,501.00

APPENDIX

1. The present incumbent also fills the position of Sealer which salary is not included here. The proposed salary shown is for a full-time position.
2. Part-time position.
3. Part-time position. The present incumbent also fills the position of Branch Librarian, Manomet, which salary is not included here.
4. The service under this classification is provided by part-time employees. The proposed salary shown is based on a full-time position.
5. The service under this classification is rendered in the summer only. The proposed salary shown is based on a full-time position.
6. Clerical work for the Retirement System is not included in the proposed salary shown.
7. Maintenance is provided in addition to the salary shown.
8. The proposed salary shown is based on a full-time position.
9. The present incumbent also fills the position of Sexton, which salary is not included here.

Article 6. To see what action the Town will take with regard to fixing the salaries of elected town officers.

The Committee recommends that the salaries of elected town officers be set, as of January 1, 1951, as follows:

Chairman of Selectmen	\$800.00
Other Selectmen (each)	400.00
Chairman of Assessors	3,675.00
Other Assessors (each)	3,190.00
Town Clerk	2,455.00
Town Treasurer	2,455.00
Collector of Taxes	3,820.00

Article 7. To make the necessary appropriations to defray the expenses of the Town and for other purposes and to raise sums of money as the Town shall deem expedient.

GENERAL GOVERNMENT — 4.5% of total

No. Item	Expended in 1950	Requested in 1951		Recommended for 1951
			Selectmen:	
1	\$6,473.88	\$7,932.37	Salaries	\$7,132.00

*From Excess and Deficiency

Article 8. To take such action as the Town shall see fit in aid of the Plymouth Public Library.

The Committee recommends an appropriation of \$18,254.12, including the Dog Tax of \$2,385.02, of which appropriation \$12,581.12 shall be for Salaries and \$4,673.00 for Other Expenses.

Article 9. To see if the Town will appropriate the sum of Five Thousand, Two Hundred and Eight Dollars (\$5,208) to be expended by the Plymouth Public Library for the Loring Library.

The Committee recommends an appropriation of \$5,208.00.

Article 10. To see if the Town will appropriate a sum not exceeding Twelve Hundred and Fifty-five Dollars (\$1,255) in aid of the Manomet Public Library.

The Committee recommends an appropriation of \$1,255.00.

Article 11. To see if the Town will appropriate a sum not exceeding Six Hundred Dollars (\$600) for the observance of Memorial Day; said appropriation to be expended under the direction of the Board of Selectmen.

The Committee recommends an appropriation of \$600.00.

Article 12. To see if the Town will appropriate the sum of Eight Hundred and Fifty Dollars (\$850) for the annual observance of July 4th and that the sum of One Hundred and Fifty Dollars (\$150) of that amount be expended in said observance for the sponsoring of children's sports; the whole to be expended under the direction of the Board of Selectmen.

The Committee recommends an appropriation of \$850, of which \$150 shall be for the sponsoring of children's sports.

Article 13. To see if the Town will appropriate a sum not exceeding Three Hundred and Fifty Dollars (\$350) for the observance of Armistice Day; said appropriation to be spent under the direction of the Board of Selectmen.

The Committee recommends an appropriation of \$350.00.

Article 14. To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500) for the observance of Thanksgiving Day; to be expended under the direction of the Board of Selectmen.

The Committee recommends an appropriation of \$500.00.

Article 15. To see if the Town will raise and appropriate the sum of Thirty-nine Hundred Dollars (\$3,900) towards the employment of one or more district nurses; said appropriation to be expended under the direction of the Board of Selectmen.

The Committee recommends an appropriation of \$3,900.00.

Article 16. To see what amount the Town will vote to raise and appropriate for the use of the Plymouth County Trustees for County Aid to Agriculture and to choose a Town Director, as provided in Sections 41 and 45, Revised Chapter 128 of the General Laws, and act thereon.

The Committee recommends an appropriation of \$150.00.

Article 17. To see if the Town will appropriate a sum not exceeding Sixteen Hundred Dollars (\$1,600) for compensation and expenses of the Dog Officer required by Chapter 320 of the Acts of 1934.

The Committee recommends an appropriation of \$1,300, of which \$1,000 shall be for Salary retroactive to Jan. 1, 1951 and \$300 for Other Expenses.

Article 18. To see if the Town will vote to accept fourteen (14) cemetery perpetual care funds, amounting to Three Thousand, Nine Hundred and Fifty Dollars (\$3,950), received and deposited in the Plymouth Savings Bank and the Plymouth Federal Savings and Loan Association in the year 1950 in accordance with the usual votes of the Cemetery Commissioners and Selectmen, and listed as New Funds in the town report.

The Committee recommends favorable action.

Article 19. To see what amount the Town will vote to raise and appropriate or transfer from available funds for the Reserve Account in the hands of the Advisory and Finance Committee.

The Committee recommends an appropriation of \$15,000.

Article 20. To see if the Town will vote to appropriate or transfer from unappropriated available funds in the Treasury, a sum of money for the improvement of Rocky Hill

Road (\$36,000) Chapter 90 Construction; said money to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose.

The Committee recommends an appropriation of \$36,000 from Excess and Deficiency.

Article 21. To see if the Town will vote to authorize the Board of Selectmen to grant to Plymouth Memorial Post, #1822, Veterans of Foreign Wars, the reversionary interest now held by the Town in the real estate owned by the said Post and described as follows: A parcel of land with the building thereon, said parcel containing 9,690 square feet on the westerly side of Spring Street, in said Plymouth, being Lot 110 on Plat #19 of the Assessors' maps, bounded and described as follows: Southerly by land of Mary Kaplowitz and by land of Ruth E. Raymond, 158.6 feet; Westerly by land of William H. and Margaret L. Hall, 62.0 feet; Northerly by land of Dorothy M. Johnson and by land of Lillian M. Thimas, 155.1 feet and Easterly by Spring Street, 60.75 feet; provided that the Post will undertake to reconvey the same reversionary interest to the Town after having mortgaged the property. (By Petition)

The Committee recommends no action.

Article 22. To see if the Town will assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as amended by Chapters 516 and 524, Acts of 1950, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tide-waters, foreshores and shores along a public beach outside of Boston Harbor, including the Merrimack and Connecticut Rivers, in accordance with Section 11 of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

The Committee recommends favorable action.

Article 23. To see what action the Town will take with reference to making improvements at Beach Park and to make an appropriation therefor.

The Committee recommends an appropriation of \$5,550 from Excess and Deficiency, to be expended for moving the bathhouse and setting it up on the new location, as recommended by the Special Beach Park Committee. If, and when, the State builds a retaining wall along the east bank

of Eel River, consideration can then be given the matter of hard-surfacing the parking area.

Article 24. To see if the Town will vote (1) to request the Administrator of the Housing and Home Finance Agency to make a reservation for the Town of capital grant funds for purposes of Title I of the Housing Act of 1949 in an amount not exceeding \$124,740 and (2) to approve the filing of an application by the Plymouth Housing Authority for the preliminary advance of funds of \$10,000 from the Housing and Home Finance Administrator under said Title I to make surveys and studies and preliminary plans for the redevelopment of the area substantially bounded by High, Market and Summer Streets. (By Request)

The Committee recommends that this proposal be referred to the Planning Board for further study.

Article 25. To see whether the Town will appropriate or transfer from available funds, the sum of Twenty-three Thousand Dollars (\$23,000) for the fencing and landscaping of grounds and for the purchase of additional equipment for the new Cold Spring School building being constructed by vote of the Town under Articles 63, 64 and 65 of the last annual town meeting.

The Committee makes no recommendation under Article 25.

Article 26. To see if the Town will authorize the School Committee to purchase from David A. Cappannari a parcel of land on the southwesterly side of Union Street containing 45,100 square feet and comprising Lot 160 of Plat 20 of the Assessors' Plans and make an appropriation therefor.

The Committee recommends an appropriation of \$2,500 from Excess and Deficiency.
Planning Board approves.

Article 27. To see if the Town will appropriate or transfer from the Post-war Rehabilitation Fund or other available funds the sum of Seven Thousand Dollars (\$7,000) for making repairs and improvements in the Mt. Pleasant School building; said repairs to include: interior painting, refinishing floors in classrooms, installation of new fixtures in boys' toilet and other needed repairs.

The Committee recommends an appropriation of \$7,000 from the Post-War Rehabilitation Fund.

Article 28. To see if the Town will appropriate or transfer from the Post-war Rehabilitation Fund, or other

available funds the sum of Four Thousand Dollars (\$4,000) for making repairs and improvements in the Oak Street School; said repairs to include: replacement of present furnace with oil burner, installation of new floors in classrooms and corridors, new fixtures in boys' toilet and other needed repairs.

The Committee recommends an appropriation of \$4,000 from the Post-War Rehabilitation Fund.

Article 29. To see what action the Town will take relative to extending the chain link fence at the northerly side of the Hedge School so as to enclose that part of the school grounds located between Hedge Pond and the highway (Standish Avenue) and extending from the present school fence to Bourne Street, and make an appropriation therefor.

The Committee recommends an appropriation of \$400 for the purchase and erection of approximately 150' of chain link fence to enclose the corner of Bourne Street and Standish Avenue.

Article 30. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$1,220.10 for the purchase of a new car for the school nurse and to dispose of the car now in use.

The Committee recommends an appropriation of \$1,220.10 from Excess and Deficiency.

Article 31. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing and originally equipping a new elementary school building in Manomet on land formerly known as the Porter Harlow Lot and bordering Strand Avenue on the southwesterly side; determine whether the money shall be provided for by taxation, by borrowing, by appropriation from available funds in the treasury including the Post-war Rehabilitation and Stabilization Funds, or take any action in relation thereto.

The Committee recommends an appropriation of \$10,000 from the Post-War Rehabilitation Fund, to be expended by the Manomet School Committee, to make further detailed study, consult with other architects and obtain plans, specifications and complete costs for an addition to the present school and also plans for a new school; said committee to be directed to work with the Planning Board and, after consultation with the School Committee, to submit a full report at a special town meeting to be held not later than October 1st of this year.

Article 32. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase or by taking by eminent domain two parcels of land for school purposes on the northerly side of Strand Avenue, Manomet, containing approximately five (5) acres and two and one-half (2½) acres, respectively.

The Committee recommends no action.

Article 33. To see what action the Town will take to authorize the preparation of plans and specifications for a shore sewage treatment plant as recommended by Metcalf & Eddy, Engineers, and appropriate the sum of \$82,000 for the preparation thereof.

The Committee recommends no action.

Article 34. To see if the Town will grant authority to make an application for and enter into an agreement with Federal Communities Facilities Service for the use of Federal funds made available under Public Law 352, enacted by the 81st Congress for the purpose of procuring plans for sewage works or take any action relative thereto.

The Committee recommends no action.

Article 35. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Eleven Hundred Dollars (\$1,100) for the purchase of an automobile equipped with Leese-Neville alternator for the Police Department, and to dispose of one in service.

The Committee recommends an appropriation of \$830 from Excess and Deficiency.

Article 36. To see if the Town will vote to raise and appropriate or transfer from Parking Meter Receipts the sum of Eighteen Hundred Dollars (\$1,800) for the purchase of a four (4) wheel drive station wagon, and to dispose of the motorcycle now in use; the above to be used in connection with traffic control.

The Committee recommends no action.

Article 37. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Twelve Hundred Dollars (\$1,200) for the extension of the sewer line in Knapp Terrace (400' of 8" pipe and 2 M. H.).

The Committee recommends an appropriation of \$1,200 from Excess and Deficiency.

Article 38. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Twelve Hundred Dollars (\$1,200) for the extension of the sewer line in Braunecker Road (400' of 8" pipe and 2 M. H.).

The Committee recommends an appropriation of \$1,200 from Excess and Deficiency.

Article 39. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Nine Hundred and Fifty Dollars (\$950) for the purchase of sewer cleaning equipment for sewer lines. (Highway Department)

The Committee recommends an appropriation of \$950 from Excess and Deficiency.

Article 40. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Three Thousand Dollars (\$3,000) for the purchase of a 2-ton dump truck for the Highway Department, and to dispose of one in service.

The Committee recommends an appropriation of \$3,000 from Excess and Deficiency.

Article 41. To see if the Town will vote to raise and appropriate or transfer from available funds a sum not to exceed Seventeen Hundred Dollars (\$1,700) for painting the outside of the Memorial Building; to be expended under the direction of the Board of Selectmen.

The Committee recommends an appropriation of \$1,700 from Excess and Deficiency.

Article 42. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Thirty-five Hundred Dollars (\$3,500) for repairs and alterations to the stage effects, this to include a new back stage curtain, for the Memorial Building; to be expended under the direction of the Board of Selectmen.

The Committee recommends no action.

Article 43. To see if the Town will adopt as a by-law Chapter 639, Sections 1 to 6, inclusive, of the Acts of 1950 to establish a Department of Civil Defense, appoint a director, etc.

The Committee recommends the adoption of the following Civil Defense By-Law, in accordance with Chapter 639 of the Acts of 1950:

Section 1. DEPARTMENT OF CIVIL DEFENSE

There is hereby established a department of civil defense (hereinafter called the "department"). It shall be the function of the

department to have charge of civil defense as defined in Section 1, Chapter 639, Acts of 1950, and to perform civil defense functions as authorized or directed by said chapter or by any and all executive orders or general regulations promulgated thereunder, and to exercise any authority delegated to it by the governor under said Chapter 639.

Section 2. DIRECTOR OF CIVIL DEFENSE

The department shall be under the direction of a director of civil defense (hereinafter called the "director") who shall be appointed as prescribed by law. The director shall have direct responsibility for the organization, administration and operation of the department subject to the direction and control of the appointing authority, and shall receive such salary as may be fixed from time to time by the appointing authority. The director may, within the limits of the amount appropriated therefor, appoint such experts, clerks and other assistants as the work of the department may require and may remove them, and may make such expenditures as may be necessary to execute effectively the purposes of Chapter 639, Acts of 1950.

The director shall also have authority to appoint district co-ordinators and may accept and may receive, on behalf of the Town, services, equipment, supplies, materials or funds by way of gifts, grant or loan, for purposes of civil defense, offered by the federal government or any agency or officer thereof or any person, firm or corporation, subject to the terms of the offer and the rules and regulations, if any, of the agency making the offer. The director shall cause appropriate records to be kept of all matters relating to such gifts, grants or loans.

Section 3. CIVIL DEFENSE ADVISORY COUNCIL

There is hereby established a civil defense advisory council (hereinafter called the "council"). Said council shall serve without pay and shall consist of the director of civil defense, such other department heads and such other persons as the authority appointing said director may deem necessary. Such member of said council as said appointing authority shall designate shall serve as chairman of said council. Said council shall serve subject to the direction and control of the appointing authority and shall advise said appointing authority and the director on matters pertaining to civil defense.

Section 4. POLICE AID TO OTHER CITIES AND TOWNS IN EVENT OF RIOTS OR OTHER VIOLENCE THEREIN

The police department is hereby authorized to go to aid another city or town at the request of said city or town in the suppression of riots or other forms of violence therein.

Section 5. TERMINATION OF BY-LAW

This by-law shall remain in force during the effective period of Chapter 639, Acts of 1950, and any act in amendment or continuation thereof or substitution therefor.

Section 6. DEFINITION

All references to Chapter 639, Acts of 1950, as now in force, shall be applicable to any act or acts in amendment or continuation of or substitution for said Chapter 639.

Article 44. To see what amount the Town will vote to raise and appropriate or transfer from available funds for Civil Defense; said money to be spent under the direction of the Selectmen.

The Committee recommends an appropriation of \$500 and plans to allocate \$5,000 of its Reserve Account to Civil Defense, when, and if, sufficient need is shown.

Article 45. To see what action the Town will take relative to repairing and re-pointing the under part of the arch of the bridge over Town Brook on Market Street and make an appropriation therefor.

The Committee recommends an appropriation of \$950 from Excess and Deficiency.

Article 46. To see if the Town will vote in accordance with Chapter 143 of the General Laws to establish regulations for the inspection of buildings and to establish fees for the granting of building permits and take any other action relative thereto and make an appropriation therefor.

The Committee recommends that the town direct the Public Safety Commission to revise the building by-laws and present its recommendations to the town for acceptance at a later date.
Planning Board approves.

Article 47. To see if the Town will vote to establish a Board of Appeals, comprising five members, as provided in Chapter 40, Section 30 of the General Laws, and make an appropriation therefor.

The Committee recommends no action.

Article 48. To see what action the Town will take with reference to adopting a zoning by-law for the Town, and make an appropriation for expenses of the Appeal Board.

The Committee recommends the adoption of the proposed Zoning By-Law as shown on the back page of the Finance Committee's report and an appropriation of \$500 for the expenses of the Board of Appeals.

Article 49. To see if the Town will vote to raise and appropriate the sum of \$400 for additional expenses of the Zoning Board, appointed under Article 94 of the Town Meeting Warrant of March 25, 1950.

The Committee recommends an appropriation of \$400.

Article 50. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Five

Hundred Dollars (\$500) for the pruning of dead wood and removing of trees, in accordance with Section 13, Chapter 761 of the Acts of 1949.

The Committee recommends an appropriation of \$500.

Article 51. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money not to exceed Two Thousand, One Hundred and Eighty Dollars (\$2,180) for the purchase of a Mist Blower to replace a 1919 model sprayer and to dispose of same.

(Moth Department)

The Committee recommends an appropriation of \$2,180 from Excess and Deficiency.

Article 52. To see if the Town will appropriate a sum not exceeding One Thousand Dollars (\$1,000) as provided in Chapter 40, Section 5, Clause 37 of the General Laws; said appropriation to be spent under the direction of the Board of Selectmen. (Conventions and entertainment of distinguished guests)

The Committee recommends no action.

Article 53. To see if the Town will acquire an ambulance and make an appropriation for its acquisition and operation.

(By Request)

The Committee recommends no action.

Article 54. To see if the Town will appropriate the sum of Four Hundred Dollars (\$400) to seal coat the hard-surface road at Morton Park; work to be done by and under the supervision of the Highway Department; said appropriation to be expended under the direction of the Park Commissioners.

The Committee recommends an appropriation of \$400 from Excess and Deficiency.

Article 55. To see if the Town will appropriate the sum of Seven Hundred and Eighty-five Dollars (\$785) to purchase power driven grass cutting equipment for the Park Department; said appropriation to be expended under the direction of the Park Commissioners.

The Committee recommends an appropriation of \$785 from Excess and Deficiency.

Article 56. To see if the Town will appropriate the sum of Five Hundred Dollars (\$500) to carry on the brush cutting

and tree trimming project at Morton Park; said appropriation to be expended under the direction of the Park Commissioners.

The Committee recommends an appropriation of \$500 and that the Committee appointed under Article 67 of the annual town meeting warrant of 1950 be continued and directed to bring in its report to the town.

Article 57. To see if the Town will appropriate the sum of Four Thousand Dollars (\$4,000) to hard surface the road at Morton Park from Billington Street, to connect with the existing hard-surfaced road. Work to be done by and under the supervision of the Highway Department; said appropriation to be expended under the direction of the Park Commissioners.

The Committee recommends no action.

Article 58. To see if the Town will appropriate the sum of Six Hundred and Sixty Dollars (\$660) to erect a four hundred foot chain link fence at the Nelson Street Playground.

The Committee recommends no action.

Article 59. To see if the Town will appropriate the sum of One Thousand Dollars (\$1,000) to clean Town Brook at Brewster Garden and Spooner Park; said appropriation to be expended under the direction of the Park Commissioners.

The Committee recommends an appropriation of \$1,000.

Article 60. To see if the Town will authorize the Water Commissioners to make an exploration for a new ground water supply and construct an 8" test well and make an appropriation therefor.

The Committee recommends an appropriation of \$3,000 from Excess and Deficiency.

Article 61. To see if the Town will authorize the Water Commissioners to purchase a new pick-up truck and dispose of one now in service and make an appropriation therefor.

The Committee recommends an appropriation of \$1,200 from Excess and Deficiency.

Article 62. To see if the Town will authorize the Water Commissioners to lay and maintain a water main in Rocky Hill Road together with fire hydrants, services and other appurtenances as necessary and appropriate the sum of

Twelve Thousand, One Hundred and Fifty Dollars (\$12,150) therefor.

The Committee recommends no action.

Article 63. To see if the Town will authorize the Board of Selectmen, at its discretion, to sell at public auction the building and the land known as the Jabez Corner School house and lot.

The Committee recommends that this matter be referred to the Planning Board for further study.

Article 64. To see if the Town will vote to authorize the Board of Selectmen, at its discretion, to sell at public auction, the building and the land known as the Cold Spring School house and lot; such transfer not to take place before June 30, 1951.

The Committee recommends authorization to sell at public auction after June 30, 1951.
Planning Board approves.

Article 65. To see if the Town will vote to authorize the Board of Selectmen to execute releases of all demands concerning the takings by the Commonwealth of Massachusetts of the following parcels of land of the April 10, 1950 lay-out: Parcels Nos. 15 and 21, Parcels Nos. 12-T and 16-T.
(Plymouth By-Pass)

The Committee recommends favorable action.

Article 66. To see if the Town will vote to accept Chapter 783 of the Acts of 1950 making applicable increases in retirement allowance to those persons receiving a minimum allowance after January 1, 1946.

The Committee recommends favorable action.

Article 67. To see if the Town will vote to accept Chapter 820 of the Acts of 1950, an Act providing for an increase in the annual amount of certain pensions, retirement allowance, annuities and other benefits payable by the Commonwealth and its political sub-divisions to certain former employees and persons claiming under them.

The Committee recommends acceptance of Chapter 820 of the Acts of 1950 and an appropriation of \$225 for increased pensions, to be allocated as follows:

Fire Dept., Salaries	\$75.00
Sealer W. & M., Salaries	75.00
Pensions for Town Laborers	75.00

Article 68. To see if the Town will authorize the Moderator to appoint a committee of five to investigate and study the provisions of Chapter 662 of the Acts of 1949 which is an act to authorize the organization of Union Health Departments and to report its findings to the next annual Town Meeting; said committee not to include any member of the Board of Health of the Town of Plymouth.

(By Request)

The Committee recommends favorable action.

Article 69. To see if the Town will appropriate the sum of Twenty-four Hundred Dollars (\$2,400) for the purchase of an automobile for the use of the Assessors' Department.

(By Request)

The Committee recommends no action.

Article 70. To see what action the Town will take relative to the report and recommendations of the committee authorized by vote passed at the annual town meeting of March 25, 1950 under Article 96, to study Representative Town Government.

(By Request)

The Committee makes no recommendation under this article.

Article 71. To see if the Town will vote to raise and appropriate the sum of Seven Hundred and Fifty Dollars (\$750) for the purpose of maintaining during the ensuing year, the mosquito control works as estimated and certified to by the State Reclamation Board in accordance with the provisions of Chapter 112, Acts of 1931.

The Committee recommends an appropriation of \$750.

Article 72. To see if the Town will vote to raise and appropriate or transfer from Parking Meter Receipts, the sum of Two Hundred and Eighty-five Dollars (\$285) for the purchase of repair parts for meters and coin wrappers, etc., for use in conjunction with parking meter collections.

The Committee recommends an appropriation of \$285 from Parking Meter Receipts, \$185 for care of the meters by the Police Dept. and \$100 for wrappers and supplies for the Treasury Dept.

Article 73. To see if the Town will accept and allow as a town way from the end of Westerly Route as laid out in 1928, southeasterly about 200 feet to Billington Street, and

make an appropriation for land and property damages and expenses for acquiring titles.

The Committee recommends the acceptance of this street with an appropriation of \$100 for land and property damages and expenses of acquiring titles.
Planning Board approves.

Article 74. To see if the Town will accept and allow as a town way, Cochituate Road in the Priscilla Beach section of Plymouth about 1200 feet long leading northeasterly from Rocky Hill Road to John Alden Road as laid out by the Selectmen and reported to the Town, and make an appropriation for land and property damages and expenses for acquiring titles.

The Committee recommends the acceptance of this street with an appropriation of \$100 for land and property damages and expenses of acquiring titles.
Planning Board approves.

Article 75. To see if the Town will vote to raise and appropriate from available funds a sum not exceeding Five Thousand Dollars (\$5,000) for advertising the advantages of the Town and for providing amusements or entertainments of a public character; the money so appropriated shall be expended under the direction of the Board of Selectmen.

The Committee recommends an appropriation of \$5,000 for advertising the advantages of the town, as permitted by enabling legislation passed in 1950, provided the sum of \$500 shall previously have been contributed by donation and paid into the town treasury to be expended for the aforesaid purpose.

Article 76. To see what action the Town will take with reference to re-conveying to Mary C. Welsh, for no consideration, a parcel of land on the northerly side of Alden Street.

The Committee recommends favorable action.
Planning Board approves.

Article 77. To see if the Town will approve the appointment by the Moderator of a committee of three members to make a survey and study the feasibility of constructing and maintaining a fire station in that part of Town known as Manomet and that the committee report its recommendations at the next town meeting and that the Town appropriate the sum of Three Hundred Dollars (\$300) to defray the expenses of said committee.

The Committee recommends the appointment by the moderator of a committee of three, to work in conjunction with the Planning Board, and an appropriation of \$100 for expenses of said committee.

Article 78. To see if the Town will authorize the Treasurer to set aside Five Thousand Dollars (\$5,000) each year to establish a fund not to exceed Fifty Thousand Dollars (\$50,000) for the purpose of replacing worn-out and obsolete fire apparatus, when so voted by the Town.

The Committee recommends no action, as there is no provision in the statutes allowing the establishment of such a fund.

Article 79. To see if the Town will vote to authorize the Board of Public Welfare to dispose of the automobile now in service and to raise and appropriate or transfer from available funds the necessary amount for the purchase of a new automobile to be used for the Board of Public Welfare.

(By Request)

The Committee recommends no action.

Article 80. To see if the Town will appropriate a sum of Fifteen Thousand Dollars (\$15,000) for the purpose of continuing the Survey and Assessors' Plans; money to be expended under the direction of the Assessors.

(By Request)

The Committee recommends an appropriation of \$15,000, to be expended under the direction of the Assessors, with the approval of the Planning Board.

Article 81. To see if the Town will appropriate a sum of money, not to exceed Seven Hundred and Twenty-five Dollars (\$725) for a 5 H. P. electric siren, remote control, for the Manomet section, to be used for the fire alarm.

(Fire Department)

The Committee recommends that action under this article be deferred until a report from the special committee recommended under Article 77 has been received.

Article 82. To see if the Town will appropriate a sum of money not to exceed Eight Hundred and Fifty Dollars (\$850) for the purchase of a main station radio, complete with new antenna.

(Fire Department)

The Committee recommends no action.

Article 83. To see if the Town will appropriate a sum

of money, not to exceed Seventeen Hundred and Seventy-five Dollars (\$1,775) for the purchase of 500 feet of 2½' hose, 1,000 feet of 1½" hose for the Fire Department.

The Committee recommends an appropriation of \$1,775 from Excess and Deficiency

Article 84. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Four Hundred and Seventy-eight Dollars (\$478) for the purchase of an automobile for the Fire Department, and to dispose of one in service.

The Committee recommends an appropriation of \$478 from Excess and Deficiency.

Article 85. To see if the Town will vote to authorize the Board of Selectmen to dispose of 1936 Ford truck which has been taken out of service, and has been replaced by Engine #1 from Central Station. (Fire Department)

The Committee recommends favorable action.

Article 86. To see what action the Town will take relative to the purchase of signs and life preservers for White Horse Beach, Priscilla Beach and Point Beach, and make an appropriation therefor.

The Committee recommends an appropriation of \$150, to be expended under the direction of the Board of Selectmen.

Article 87. To see if the Town will vote to appropriate from money in the Treasury, not otherwise appropriated, the sum of Seventy Thousand Dollars (\$70,000) to reduce the tax rate of the current year.

The Committee recommends no action.

Article 88. To see if the Town will vote to raise and appropriate a sum or sums of money to enable the Town to reduce the active working hours of the members of the Police Department to forty (40) hours a week, pass any vote or take any action relative thereto. (By Petition)

The Committee recommends no action.

Article 89. To see if the Town will vote to sell to Gordon L. Howland the land now leased by him on the Plymouth Town Wharf property for the sum of \$10,000. These are lot Nos. 5, 6 and 11 only. (By Petition)

The Committee recommends no action.

Article 90. To see what action the Town will take in regards to improvements and added facilities at Veterans' Field, so-called, and make an appropriation therefor.

(By Petition)

The Committee recommends an appropriation of \$200 for painting grandstand and other improvements at Veterans' Field, to be expended under the direction of the Park Commissioners, and the appointment by the moderator of a committee of five to study the present playground facilities and make recommendations to the Town with regard to future improvements at all playgrounds.

Article 91. To see what action the Town will take on off the street parking, and make an appropriation therefor.

(By Petition)

The Committee recommends that a committee of five be appointed by the moderator, to work in conjunction with the Planning Board, with an appropriation of \$500 for expenses of said committee.

Article 92. To see what action the Town will take relative to hard surfacing the Billington Sea Road beginning with and including the portion of the Micajah's Pond Road that joins Billington Sea Road with Federal Furnace Road to the Watercourse Road, and make an appropriation therefor.

(By Petition)

The Committee recommends no action.

Article 93. To see if the Town will vote that the Board of Water Commissioners shall charge for annual use, identical rates and prices for the same amount of water wherever service is maintained regardless of geographical location within the Town.

(By Petition)

The Committee recommends no action.

Article 94. To see what action the Town will take in reference to the issuance and publication of the annual town report and make an appropriation therefor.

(By Petition)

The Committee recommends that the report of the Special Committee be accepted and referred to the Selectmen for their consideration.

Article 95. To see if the Town will appropriate the sum of Fifteen Hundred Dollars (\$1,500) to be spent in conjunction with sums to be provided by the Commonwealth of Massachusetts or County of Plymouth, or both, for the construction of groins or jetties or other waterfront protection

along the shore at Ellisville between Ellisville Harbor and Lookout Point, and to assume liability as provided by Section 29 of Chapter 91 of the General Laws. (By Petition)

The Committee recommends an appropriation of \$1,500 from Excess and Deficiency.

Article 96. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Six Thousand Dollars (\$6,000) for one and one-tenths mile of mixed-in-place surface for College Pond Road.

(By Petition)

The Committee recommends no action.

Article 97. To see if the Town will vote to accept the provisions of Section 128 of Chapter 111 of the General Laws, as amended, providing for the adoption of public health regulations.

The Committee recommends no action.

ZONING BY-LAWS

PREAMBLE

To promote the health, safety, convenience and welfare of the Town, in accordance with Chapter 40 of the General Laws, the Town of Plymouth is hereby divided into Districts, each of which shall be subject to special regulations herein provided as to the location, size, and use of buildings and structures and the use of premises therein.

I. Continuation of Non-Conforming Uses

Any lawful building or structure or use of a building, structure or premises existing at the time this By-Law is adopted may be continued, and, if such building or structure is destroyed or damaged by fire or other cause, it may be restored, even if such building, structure or use does not conform to the regulations of this By-Law.

II. Change and Enlargement of Non-Conforming Uses

The Board of Appeals may permit the extension of a non-conforming building or structure throughout the

premises, the enlargement of a non-conforming use, and the change of any non-conforming use to a specified new use, provided such extension, enlargement or change is not more detrimental or objectionable to the neighborhood and the Town.

III. Districts Established

For the purpose of this By-Law the Town of Plymouth is divided into two types of Districts, designated as:

- (a) Residence Districts.
- (b) Commercial Districts.

Said districts are located as shown on the "Town of Plymouth, Massachusetts, Zoning Map," dated February 1, 1951, and filed with the Town Clerk.

IV. Residence Districts

For the purpose of this protective By-Law the following uses of buildings, structures and land are permitted anywhere in the Town:

- (a) Residence for one or more families and apartments.
- (b) Religious, educational or municipal use.
- (c) Cranberry bogs, general farm, including dairy farm, truck garden or nursery.
- (d) Accessory use on the same lot with and customarily incident to any of the above permitted uses. The term "accessory use" shall include:

1. Use of a room or rooms in a dwelling for customary home occupations, such as dressmaking, millinery, letting of rooms, taking of boarders, sale of antiques, or for the work of any member of a recognized profession.

2. Use of premises or building thereon in connection with trades, such as that of resident builder, carpenter, electrician, mason, painter, plumber, tinsmith, upholsterer or machinist, provided that no manufacturing or other

business requiring substantially continuous employment be carried on therein.

3. Display and sale of natural products raised on the premises.

4. Display of not more than two signs pertaining to a permitted use with a total area of not more than twelve square feet.

(e) Any of the following additional uses, provided it is not injurious, noxious or offensive to the neighborhood and only if authorized by the Board of Appeals subject to appropriate conditions where such are deemed necessary to protect the neighborhood and Town:

1. Aviation field, golf course, boat livery or riding stable.

2. Private club, except those whose chief activity is customarily carried on as a business.

3. Gravel, loam, sand or stone removal carried on as a business.

4. Hospital, sanitarium, convalescent home, funeral home, and philanthropic use.

5. Cemetery.

6. Roadside stand, tourist camps, trailer camps, cabins or hotel.

7. Restaurant, which provides adequate off-street parking area and of character not inconsistent with the neighborhood.

8. Greenhouse, ice storage, cinder mill or temporary saw mill.

9. Fur farm, poultry farm, dog kennel or piggery.

10. Telephone exchange, not including a service station or outside storage of supplies.

11. Theater, bowling alley or other place of amusement.

12. Any additional use after determination by the Board of Appeals that the proposed use is similar to one or more of the uses specifically authorized and not more detrimental to a neighborhood.

V. Commercial Districts

Any of the following uses are permitted anywhere in the Town with the exception of Residence Districts:

(a) Any wholesale or retail business, service or public utility not involving manufacture on the premises except of products the major portion of which are sold on the premises by the producer to the consumer.

(b) Any industry or manufacturing provided it is not injurious, noxious, or offensive to the neighborhood and only if authorized by the Board of Appeals subject to appropriate conditions and safeguards.

VI. Lot Regulations

(a) Lot Frontage and Area.

Any dwelling hereafter erected or placed in any district shall be located on a lot having a frontage of not less than 60 feet and an area of not less than 6000 square feet, provided that one dwelling may be erected on a lot having a lesser frontage or area where said lot existed and was shown upon a plat or plan duly recorded with the Plymouth County Registry of Deeds at the time this By-Law is adopted.

(b) Front Set-Back.

Any building or structure, including roadside stands and accessory buildings, hereafter erected, altered or placed, shall extend not nearer to any street line than

20 feet in the Residence Districts. On lots of less than 60 feet, existing and shown on a plan or plat duly recorded with the Plymouth County Registry of Deeds at the time this By-Law is adopted, no building may extend within 12 feet of the line of a side street. Where present building on adjoining lots is less than 20 feet from any street line, new buildings may be placed as near the street line as the average of the buildings on said adjoining lots. A vacant lot shall, for this purpose, be treated as though occupied by a building set back 20 feet.

(c) Side and Rear Set-Backs.

In a Residence District no dwelling shall be built within 10 feet of the side or rear lot line and no other building within 5 feet of such lines.

(d) Variances.

The provisions of Section VI may be varied by the Board of Appeals in the case of any lot or lots existing and shown on a plan or plat duly recorded with the Plymouth County Registry of Deeds at the time this By-Law is adopted.

VII. Administration

(a) Enforcement.

This By-Law shall be enforced by the Board of Selectmen.

(b) Board of Appeals.

There shall be a Board of Appeals of three members and two associate members appointed by the Selectmen, as provided in Chapter 40 of the General Laws, which shall act on all matters within its jurisdiction under this By-Law in the manner prescribed in said Chapter of the General Laws.

(c) Validity.

The invalidity of any section or provision of this By-Law shall not invalidate any other section or provision hereof.

PLYMOUTH ZONING BOARD

William S. Brewster,
Chairman

Edward Chase
Ralph L. Drew

Walter H. Neaves
A. Linwood Ellis
Amedeo V. Sgarzi
Ellis W. Brewster

January 25, 1951.

SPECIAL TOWN MEETING

September 27, 1951

The meeting was called to order by the Town Clerk at 8:00 o'clock, P. M., who read the warrant.

Town Clerk's Record As Amended

Article one:

Article one was taken up. Nominations were in order and Mr. Amedeo V. Sgarzi was nominated for the office of Moderator. The polls were open for the casting of ballots for Moderator, and Mr. Sgarzi was declared elected by count of the ballots cast.

Mr. Sgarzi then proclaimed the necessary quorum of 400 present and proceeded with Article two.

Article two:

Voted: That the Town raise and appropriate or transfer from available funds the sum of \$500 for repairs to the Memorial Building to be expended under the direction of the Board of Selectmen.

Article three:

Voted: That the Town raise and appropriate or transfer from available funds the sum of five hundred dollars (\$500), to be expended by the Planning Board to complete their studies with regard to the Old High School Building on Lincoln Street, as directed by vote of the Town.

Article four:

Mr. Robert M. Briggs moved: That the Town take no action under Article 4.

Mr. James T. Frazier moved to amend the motion of Robert M. Briggs by substituting the following: That the Town raise and appropriate or transfer from available funds including the Sale of Real Estate Fund the sum of five thousand dollars (\$5,000), for the purpose of constructing a new office for the Highway Department with adequate heating and lighting equipment.

The motion to amend was put to the meeting and the vote taken by show of hands; 309 voting in the affirmative and 28 in the negative, the motion to amend was carried.

The original motion as amended was then put before the meeting and carried.

Article five:

Mr. Robert M. Briggs moved: That the sum of \$290,000 be raised and appropriated for the purpose of constructing and originally equipping and furnishing a new elementary school building, and for the purpose of acquiring by purchase or taking by eminent domain a parcel of land on which to locate said building, said land being the westerly portion of Lot No. 11, Plat No. 46 of the Assessors' Plans, on file in the Town House, and bounded and described as follows:

Beginning at the northeasterly corner of land of Allan S. Gillis in the westerly line of Manomet Point Road; thence westerly by land of said Gillis 630 feet more or less to a corner; thence northerly by land of Octavius H. Reamy and by land of Mary E. Flanders and Helen B. Parmenter 720 feet more or less to a corner marked by a drill-hole in a stone wall; thence S 72° 03' E by land of Everett Malaguti 291.01 feet to a drill-hole in stone wall; thence S 86° 46' E still by land of Everett Malaguti 189.57 feet to a drill-hole in stone wall; thence S 88° 11' E still by land of Everett Malaguti 119.42 feet to a corner; thence

southerly by remaining land of Esther S. H. Pratt and Charles M. Pratt 500 feet more or less to an iron pipe; thence southeasterly still by remaining land of said Pratt 225 feet more or less to a point in the westerly line of Manomet Point Road; thence southerly by the westerly line of Manomet Point Road 220' more or less to the point of beginning, said parcel containing 10 acres more or less; and that to meet the said appropriation the sum of \$10,000 be appropriated from available funds in the treasury, and that the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the sum of \$280,000 under the authority of Chapter 44 of the General Laws and to issue bonds or notes of the Town therefor payable in accordance with the provisions of said Chapter 44, so that the whole loan shall be paid in not more than 20 years from the date of issue of the first bond or note.

The Building Committee for this project shall consist of a committee of five, to be appointed by the Moderator, to include representation from the School Committee and the present Manomet School Building Committee, said committee being hereby authorized to expend funds appropriated under this vote for the purposes specified in said vote.

Dr. E. Harold Donovan moved to amend the motion of Robert M. Briggs by substituting the following: That the sum of \$255,000.00 be raised and appropriated for the purpose of constructing and originally equipping and furnishing a new elementary school building designed and constructed substantially in accordance with plans presented to the Advisory and Finance Committee by the committee of seven appointed by the Moderator during the year 1950 and prior to the Town Meeting of March, 1951, on land to be acquired by purchase or by taking by eminent domain located in Manomet District on the Westerly portion of Lot No. 11, Plat 46 of the Assessors'

Plans, on file in the Town House and bounded and described as follows:

Beginning at the northeasterly corner of land of Allan S. Gillis in the westerly line of Manomet Point Road; thence westerly by land of said Gillis 630 feet more or less to a corner; thence northerly by land of Octavius H. Reamy and by land of Mary E. Flanders and Helen B. Parmenter 720 feet more or less to a corner marked by a drill-hole in a stone wall; thence S 72 deg. 03 min. East by land of Everett Malaguti 291.01 feet to a drill-hole in stone wall; thence South 36 deg. 46 min. East still by land of Everett Malaguti 189.57 feet to a drill-hole in stone wall; thence South 88 deg. 11 min. East still by land of Everett Malaguti 119.42 feet to a corner; thence southerly by remaining land of Esther S. H. Pratt and Charles M. Pratt 500 feet more or less to an iron pipe; thence southeasterly still by remaining land of said Pratt 225 feet more or less to a point in the westerly line of Manomet Point Road; thence southerly by the westerly line of Manomet Point Road 220 feet more or less to the point of beginning, said parcel containing 10 acres more or less;

and that a building committee of seven be appointed by the Moderator, including two members of the School Committee and said committee hereby is constituted as the Manomet School Building Committee and authorized to expend funds under this article for the aforesaid purposes;

and that to meet the said appropriation the sum of \$15,000.00 be appropriated from available funds in the treasury, and that the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the sum of \$240,000.00 under authority of Chapter 44 of the General Laws and to issue bonds or notes of the Town therefor payable in accordance with the provisions of said Chapter 44, so that the whole loan shall be paid in not more than

20 years from the date of issue of the first bond or note, but the motion to amend was lost.

Mr. John A. Armstrong moved to amend the original motion: By substituting the figure \$300,000 for the figure \$290,000 to be raised and appropriated, and the motion to amend was carried.

Mr. Robert M. Briggs moved to further amend the original motion: By substituting the figure \$290,000 for the figure \$280,000 to be borrowed under authority of Chapter 44 of the General Laws, and the motion to amend was carried.

The original motion as amended by the motion of John A. Armstrong and Robert M. Briggs was then put before the meeting by the Moderator who declared that a two-thirds vote was necessary for adoption and the vote would be taken by count unless it appeared by voice vote that the vote was unanimous. The vote was taken by voice and no voice being raised in the negative, the Moderator declared the vote to be unanimous, and it was so recorded.

Article six:

Voted: That the Town take no action under Article 6.

Article seven:

Voted: (Unanimously) That the Town raise and appropriate or transfer from available funds the sum of \$4,500 for the purchase from the Administrator of Veterans' Affairs and improvement for cemetery purposes, of a parcel of land with the buildings thereon, on the southerly side of South Russell Street in Plymouth, containing 2,756 square feet and comprising Lot 24-A, Plat 19 of the Assessors' Plans, and that the Cemetery Commissioners be authorized to raze, remove, sell or otherwise dispose of the buildings thereon.

Article eight:

Voted: That the Town authorize the Water Commissioners to lay and maintain a water main in Center Street in the so-called Manomet Heights Development on Taylor Avenue, Manomet, together with fire hydrants, gates, valves, service connections and other appurtenances as necessary and to raise and appropriate or transfer from available funds the sum of \$13,500 therefor.

Article nine:

Voted: That the Town rescind the vote passed under Article 54, of the annual Town Meeting of March 23, 1946, and authorize the transfer to Excess and Deficiency of the appropriation of \$100 voted under this article for the care and supervision of Town Brook.

Article ten:

Voted: That the Town take no action under Article 10.

Article eleven:

Voted: That the Town take no action under Article 11.

Article twelve:

Voted: That the Town take no action under Article 12.

Article thirteen:

Mr. Robert M. Briggs moved: That the Town vote to rescind the action taken under Article 64 of the annual Town Meeting of March, 1951, and to authorize the Board of Selectmen to sell to the American Legion Post No. 40, Inc., of Plymouth, Mass., for one dollar a parcel of land on Court Street with the building thereon, known as the Old Cold Spring Schoolhouse and lot, comprising Lot No.

30, Plat 11 of the Assessors' Plans, the deed to said property to include the proviso that, should the building cease to be used for Legion quarters by the grantee, the land and building will revert to the Town of Plymouth; the conveyance to be authorized on conditions that the Legion reconveys to the Town in accordance with the vote of the Town under Article 51 of the annual Town Meeting of March, 1950, the parcel of land on the Town Wharf Lot, so-called, which was sold to them, as authorized under Article 20 of the special Town Meeting of October 14, 1946, and relinquishes its room at the Memorial Building.

Mr. James A. White moved to amend the motion of Mr. Robert M. Briggs: By striking out the following: "and relinquishes its room at the Memorial Building," and the motion as amended was carried.

Mr. George C. P. Olsson moved to amend the motion of Robert M. Briggs as amended by Mr. James A. White by substituting:

That the Town vote to rescind the action taken under Article 64 of the annual Town Meeting of March, 1951, and to authorize the Board of Selectmen to sell to the American Legion Post No. 40, Inc., of Plymouth, Mass., for one dollar a parcel of land on Court Street with the building thereon, known as the Old Cold Spring Schoolhouse and lot, comprising Lot No. 30, Plat 11 of the Assessors' Plans. The motion to amend was put to the meeting and the vote taken by show of hands; 84 voting in the affirmative, 163 voting in the negative, the motion was lost.

The original motion as amended by the motion of Mr. James A. White was then put before the meeting and carried.

Article fourteen:

Mr. Robert M. Briggs moved: That the Town take no action under Article 14.

Mr. James T. Frazier moved to amend the motion of Mr. Robert M. Briggs by substituting the following: That the Town approve of changing the present coal heating system at the South Street Fire House over to oil, and appropriate the sum of five hundred and fifty dollars (\$550); this sum to come from available funds or from the Post War Rehabilitation Fund. The motion to amend was put to the meeting and the vote taken by show of hands; 82 voting in the affirmative and 92 voting in the negative, the motion was lost.

The original motion was then put before the meeting and carried.

On motion of Herbert K. Bartlett, Voted: To adjourn.

	Total Appropriations	\$324,000.00
Less:		
From Excess and Deficiency:		
Art. 2	\$500.00	
Art. 3	500.00	
Art. 4	5,000.00	
Art. 5	10,000.00	
Art. 7	4,500.00	
Art. 8	13,500.00	
		\$324,000.00
Art. 5 Bond Issue — School		290,000.00
		\$324,000.00

**RECOMMENDATIONS OF THE ADVISORY AND
FINANCE COMMITTEE ON THE ARTICLES IN
THE WARRANT FOR THE SPECIAL
TOWN MEETING**

September 27, 1951

Article 2. Recommend an appropriation of \$500 from Excess and Deficiency.

Article 3. Recommend an appropriation of \$500 from Excess and Deficiency.

Article 4. Recommend no action.

Article 5. Recommend an appropriation of \$290,000 for the construction of a new elementary school on the Pratt lot in Manomet, in accordance with the plans presented by the Manomet School Building Committee, of which appropriation \$7,500 shall be from Excess and Deficiency, \$42,500 from the Stabilization Fund and the balance of \$240,000 by the issuance of a loan, to be paid in not more than twenty years, the Building Committee for this project to consist of a committee of five, to be appointed by the Moderator, to include representation from the School Committee and the present Manomet School Building Committee.

Article 6. Recommend no action.

Article 7. Recommend favorable action at a sum not to exceed \$4,500, the structure to be razed or removed from the premises.

Article 8. Recommend an appropriation of \$13,500 from Excess and Deficiency, provided favorable action is taken on the construction of the new school on the Pratt lot.

Article 9. Recommend favorable action.

Article 10. Recommend acceptance by the Town of the bequest of \$1,000, to be known as the Philip Jackson Fund, the income to be used for stocking Billington Sea with food fish, preferably salmon and shad, under the supervision of the Plymouth Committee on Inland Fisheries.

Article 11. Recommend no action.

Article 12. Recommend no action.

Article 13. Recommend the sale of the old Cold Spring schoolhouse and lot to the American Legion for \$1, the deed to said property to include the proviso that, should the building cease to be used for Legion quarters by the grantee, the land and building will revert to the Town of Plymouth; the conveyance to be authorized on condition that the Legion reconveys to the Town the parcel of land on Water Street and relinquishes its room at the Memorial Building.

Article 14. Recommend no action.

Respectfully submitted,

ADVISORY AND FINANCE COMMITTEE

Robert M. Briggs, Chairman; Anthony Caramello, Andrew J. Carr, Warren R. Girard, George S. Wild, Lawrence Bongiovanni, William H. Franks, Alfred R. Meyer, Jr., Antone Morgardo, Stanley D. Roberts, Paul W. Bittinger, Alton S. Cavicchi, Stanley Cheney, Herbert R. Lotz, C. Harvey Moore.

Attested: Cora B. Grady, Secretary.

REPORT OF SUPERINTENDENT OF STREETS AND SEWERS

To the Honorable Board of Selectmen
Gentlemen:

I herewith submit a report of the work done in the Street and Sewer Departments from January 1 to December 31, 1951.

SEWERS

An extensive sewer program was carried out this year with the following main sewer extensions and manholes built: Wellingsley Ave. had 125' of 8" V.T. pipe laid with one connection; Prince St., 150' of 6" V.T. pipe laid with one connection; Olmsted Terrace, 250' of 8" V.T. pipe laid and one manhole built, and Braunecker Road had 520' of 8" V.T. pipe laid with two manholes built and two connections. This year thirty-two sewer connections were made to new homes built. A large number of old services were replaced with cast iron pipe to take care of tree roots. Approximately four miles of our main sewer lines were dragged with the new sewer cleaning machine. This piece of equipment has worked out very satisfactorily.

STREET CLEANING

The Main Street from Jabez Corner to Kingston line was swept every day with the side streets on the east side swept every other day and the west side done in the same manner. This work was accomplished with the Motor Driven Sweeper.

ASPHALT SIDEWALKS

The maintenance and construction of asphalt sidewalks was completed on the following streets: Brewster St.,

Union St., Bradford St., Winter St., South Park Ave., Wood St., Knapp Terrace, Mt. Pleasant St., Alden St., Allerton St., Forest Ave. Ext., Stafford St., South St. and River St. Approximately 8,000 cu. yds. of asphalt surface was laid on these streets in 1951. Several cement blocks that were raised by tree roots had new surfaces of asphalt mix.

HIGHWAY CONSTRUCTION AND RECONSTRUCTION

The following roads were constructed and repaired this year as follows: A mixed-in-place surface 2" thick was placed over these roads, Park Road, 600' long, 24' wide; Mt. Pleasant St., 5/10 mile long, 24' wide with 1/10 of a mile being sealed with asphalt and peastone; Olmsted Terrace, 800' long and 27' wide. The following streets were sealed with K.P. tar and peastone: Alden St. Ext., Oak St., Spring St., Castle St., and off Savery Ave. Asphalt and sand was applied to the following streets: Prince St., Sandwich Rd., Bartlett Rd., Samoset Ave., Priscilla Beach Rd., South Pond Rd., and Birch Ave. Morton Park road was sealed with sand and asphalt with Park Department funds.

Seaview St., recently accepted by the Town, had 245 yards of gravel placed over the old surface. This gravel was rolled and left to settle and a mixed-in-place surface will be laid in 1952. This road was in such a bad condition that it was necessary to remove large stones and debris in order to bring the road up to grade and this required the 6" gravel base. All gravel roads were scraped and given applications of calcium chloride to lay the dust. The brush in the outlying districts was trimmed to make the travel way safe.

DRAINS

The following drains and catchbasins were installed this year: Olmsted Terrace, 600' of 15" cement pipe was laid to

correct the drainage condition at the housing project. Two catchbasins were built and 100' of 12" pipe laid connecting both to the drain on Court St. Overlook Road, 300' of 12" pipe with one catchbasin was installed; Taylor Ave., 150' of 8" V.T. pipe was laid from the brook to a catchbasin on the east side of the road. At Priscilla Beach Road, two leachbasins were built with 16' of 12" pipe connecting them to relieve a condition where town surface water was running on private property. At the corner of Allerton and Samoset St., a new basin was laid so this drain could be cleaned without digging up of the sidewalk and road. Many of the storm drains were cleared of dirt and leaves and repairs made to the basins.

CHAPTER 90 CONSTRUCTION (Rocky Hill Road)

The contract for this work was awarded to P. Lanzillotta & Sons, Inc., of Pembroke, Massachusetts. Completion of this work is expected in 1952.

GRANOLITHIC SIDEWALK AND CURBING

Cement curbing was built on the streets listed with all curbing built 15" deep with 6" above the road and 7" wide: Mt. Pleasant St., 169'; Forest Ave. Ext., 410'; Stafford St., 131'. At Liberty St. the corner was cut back three feet and 48' of curbing built. On Water St., at the Mayflower Fish Co., 84' of curbing and a 20' ramp was installed. Several cement slabs were removed and replaced with cement where tree roots had raised them.

TRAFFIC AND STREET MARKING

The usual program of street marking and traffic lines was carried out this year. A large number of new lines and crosswalks were added. All restricted parking areas were painted yellow and numerous meter posts had to be replaced from being hit or bent over from trucks and cars.

MISCELLANEOUS

At Park Avenue, from No. Park Ave. to the A&P parking area, the grass plot was removed, a distance of 35 ft. wide and 50 ft. long, to widen the travel way. This section was filled with gravel and a 4" Type I road mix was laid to grade of present road. The same work was done from So. Park Ave. to the Bowling Alley entrance, cut back approximately 15 ft. This improvement was made to take care of the dangerous traffic conditions during the summer months.

Bartlett Brook at White Horse Beach and Eel River at the Plymouth Beach filled in again from a northeast storm last April and equipment hire of a gasoline shovel and bulldozer was needed to remove the dirt and debris washed in by the sea.

Several requests from the Selectmen's Office and other Town Departments were given special attention.

A large number of accepted streets have been bounded by the Town Engineer with the bounds being furnished by the Highway Department.

Lines and grades for street and sewer work have been supplied by the Town Engineer, Edward Chase, and records of same filed at his office on Lincoln Street.

Respectfully submitted,

ELMER C. CHANDLER,
Supt. of Streets and Sewers.

REPORT OF THE COMMISSION OF PUBLIC SAFETY

The Commission of Public Safety presents its first report covering the period from May 1 through December 31, 1951.

The Commission was established as the result of the acceptance of an Act authorizing the Town of Plymouth to establish a Commission of Public Safety and vest it with all the rights, powers, duties, facilities, properties and appropriations, invested by general or special law or vote of the Town in the following: Board of Health, Fire Department, Forest Fire Department, Police Department, Building Inspector, Dog Officer, Sealer of Weights and Measures, and Surveyor of Wood and Bark, and all inspection services which have to do with the promotion or protection of public health, safety or morals.

At the organization meeting May 1st, it was decided to hold regular meetings every Monday night at 7:30 in the Board of Health rooms, Bradford Building, and special meetings when deemed necessary. Forty-eight meetings were held during the period covered by this report.

Early meetings were given over to study of organization of Divisions and interviews were held with Division heads. It has not been the desire of the Commission to bring about radical changes within the Divisions but rather to improve on existing policies when that seemed advisable and to initiate new ones when careful consideration proved this to be beneficial to the Town. The following are among the accomplishments in this respect to date:

Preliminary plans to co-ordinate and develop centralized purchasing were put into effect whereby all purchases in the amount of \$15.00 or over must have the previous

approval of the Commission. A complete inventory of all town-owned properties held by all Divisions was made and an active inventory system is now in use.

In the Police Division, the 40-hour week was inaugurated and all personnel is rotated three times annually. The school patrol wherein women serve as auxiliary police was placed in effect. This system has worked most satisfactorily and has proved an economy to the Town.

Through co-ordination and co-operation of the Fire and Police Divisions' activities, certain protective and safety plans were evolved to cover the Halloween and July 4th holiday periods, and malicious damage was kept at a minimum.

In the Fire Division, surveys of the radio and alarm system are being studied. Inspections for fire hazards are in effect and an efficient policy of preventive maintenance is now in operation.

In the office of the Health Division a new filing system is now in use and a systematic record of all investigations has been established.

The Sealer of Weights and Measures now has an active check system covering the various types of inspections, and inspections are made more frequently.

A new Building Inspector was appointed and a schedule of regular office hours and an adequate record system have been established in this Division.

Detailed Division reports follow.

Respectfully submitted,

FRANK A. MITCHELL
CHARLES I. BAGNALL
LESLIE W. MacLEAN

Overweight	101
Underweight	37

Total number tested	437
Coal in Transit	3

REPORT OF HEALTH DIVISION

The number of Contagious Diseases reported was the lowest on record. Two cases of non-par poliomyelitis were reported.

Children were immunized against diphtheria and vaccinated by the Health Physician.

Milk samples analyzed by Steele Laboratory in East Bridgewater indicate that milk sold in Plymouth is of high standard.

Regular inspections were made of all bakeries, fish markets, stores, pasteurization plants and all establishments that handle food. Periodic inspections were made of all overnight camps and cabins, kindergarten schools, nursing homes and all places involving public health.

The area of garbage collection has been greatly extended.

The Division keenly feels the loss of Mr. Michael D. Welsh who passed away in December. He served as Inspector of Plumbing, under the Health Department, since 1901.

REPORT OF HARBOR MASTER

To the Honorable Board of Selectmen
Gentlemen:

There were approximately 200 barrels of alewives taken at Town Brook during 1951, and as many alewives were stocked as in 1950.

The total of 8,450,000 pounds of fish was taken in 1951.
Again few mackerel were taken.

Number of fishing boats in during last year, 6350.

Number of pleasure craft in, 5200.

There are now 22 Dragnets working out of Plymouth, an increase of six over last year.

Dories reported missing, 52.

Dories recovered, 46.

Respectfully submitted,

ELMER BOUTIN,
Harbor Master.

VETERANS' SERVICES

The Honorable Board of Selectmen
Plymouth, Massachusetts

Gentlemen:

The following is the report of the Veterans' Services Department for the year 1951:

A high level of employment was maintained in 1951 until the closing months, and the state unemployment compensation program generally absorbed the short periods of work lay-offs. This resulted in a lighter load for Veterans' Benefits, with a very minimum of employables on the rolls throughout the year. The picture at present is not as bright, since workers who have nearly exhausted their unemployment compensation funds will not be eligible for further help of that nature until April, and lay-offs in the first three months of 1952 will inevitably cause heavy relief spending. The threat of complete loss of the Puritan Mill carries obvious implications which need not be set out in this report.

Despite the small number of employables on the Veterans' Benefits rolls, the core of semi-permanent unemployable recipients has tended to grow each year, and 1951 was no exception. These are generally parents or widows of veterans. Six such cases were added in 1951 for a total of 24. The total case load at this writing is 34. It is of interest to note that the 24 cases represent only 30 persons, while the 10 other cases represent 36 persons.

Apart from relief, the most serious problems of the department this year have been the tangles caused by the new insurance law passed by Congress in April and the termination of educational benefits in July. Glaring inequities were caused by the less well-known provisions of the insurance law, which was primarily passed for the benefit of the men serving in Korea, but which contained riders limiting the rights of World War II veterans. It

was found that pressure from the local office usually resulted in a satisfactory adjustment of inequities.

A breakdown of services follows:

Allotment or Allowance	27
Bonus Application	1
Civil Service	15
Discharge Recorded	19
Education	35
Employment	24
Finance	2
Gratuity—6 months	1
Housing	19

Training	11
Rehabilitation	1
Hospitalization	15
Insurance	79
Loans	17
Medical - Dental	104
Pensions	14
Veterans' Benefits	183
Vital Statistics	68
Miscellaneous	35

Respectfully yours,

THOMAS F. QUINN,
Director.

ASSESSORS' REPORT

To the Citizens of the Town of Plymouth:

The program inaugurated in 1948 of re-assessing all taxable property in the Town is nearing completion. All unfinished buildings from the previous year have been reviewed as well as 412 new building permits which resulted in an increase of over \$1,000,000 in valuation over the previous year.

The Office Records are being gradually brought up to date with time and effort, especially with the help of the mapping appropriation.

The transfers for the year, of over twelve hundred, which is about triple the amount of six years ago, along with the number of building permits is an indication of the increase in the office records. The processing of 5553 Auto Excise Cards for commitment of \$94,212.35 brought a good source of revenue to the Town.

Following is a summary of the operation of the Department for the year:

Official Valuation of

Real Estate	\$30,488,975.00	
Valuation of Personal Property	2,311,625.00	
Aggregate Value	\$32,800,600.00	
Exempted under Chapter 59	4,463,825.00	
Assessed Value Available for Revenue		\$28,336,775.00

To be Raised by Taxation:

State Tax	\$5,011.52	
County Tax	84,740.82	
Tuberculosis Hospital	36,209.26	
Town Appropriations	2,000,103.24	
Overlay	27,550.82	
Underestimates 1948-49	508.60	
Total Amount to be Raised by Taxation		\$2,154,124.26

Estimated Receipts including Dog Tax Voted by the Town to be used by the Assessors	\$724,699.39
Over-estimates for 1950 to be used as Available Funds	236.25
Out of Available Funds under Approval by Commissioner of Corporations and Taxation	150,503.10
Total Estimated Receipts and Available Funds	875,438.74
Net Amount to be Raised by Taxation on Polls and Property	\$1,278,685.52

Division of Taxes:	
Personal Property, Jan. 1	\$103,560.80
Real Estate, Jan. 1	1,165,926.72
Polls, March 1	9,198.00
Total Taxes to be Levied	
on Polls and Property	\$1,278,685.52
Dec. 31, Additional Polls	\$26.00
Dec. 31, Additional Real Estate	3,993.92
Dec. 31, Additional Personal Property	11.20
Dec. 31, Additional Polls 1949-1950	4.00
To Excess and Deficiency	\$4,035.12
Rate of Taxation, \$44.80 on \$1,000	

Warrants to the Collector:	
Real Estate	\$1,165,926.72
Personal Property	103,560.80
Polls	9,198.00
Water Liens	567.26
Additional Real	3,993.92
Additional Personal Property	11.20
Additional Polls	30.00
Total Warrants to Collector	\$1,283,287.90

Exempted under Section 5, Chapter 59,
Gen. Laws as Amended:

Houses of Religious Worship	\$370,375.00
Charitable, Benevolent, Literary, Educational	1,441,500.00
Parsonages Exempted	33,350.00
United States of America	127,700.00
Town of Plymouth	1,568,375.00

COMMITTEE ON INLAND FISHERIES

To the Honorable Board of Selectmen
Gentlemen:

The aim of this Committee for the past three years has been to increase the number of white perch in our Plymouth ponds.

Owing to several mild winters in succession, the ponds have remained open, thus allowing heavy fishing by a large number of American Mergansers, commonly known as Pond Sheldrakes. Nothing can be done about this as these birds are protected by law.

In addition to white perch liberations, your Committee has freed one thousand small black bass.

To further our efforts in trying to bring back good fishing, your Committee requests that the sum of three hundred dollars be appropriated for this purpose.

Respectfully submitted,

FRANK L. BAILEY, Chairman
GEORGE L. GOODING
WILLIAM R. WOOD

REPORT OF THE TOWN ENGINEER

To the Honorable Board of Selectmen:

During 1951 surveys and layout plans were made for Cochituate Road and the extension of Westerly Route at Billington Street. These layouts were accepted by the Town at the annual meeting in March.

A sewer was laid out for Braunecker Road.

Existing street lines were marked out on various streets at the request of abutting property owners.

An alteration plan was made for a change in the street line of Hall Street.

A new revised plan was made of the Town Wharf lots.

Surveys were made of Wellington Road, Morse Road, Quaker Road, Abington Avenue, and Magoni Terrace for possible future acceptance by the Town.

A total of 117 permanent concrete bounds were set under the supervision of the Town Engineer in the street lines of the following streets: South Park Avenue, 4 bounds; Water Street Extension, 10 bounds; Taylor Avenue, 26 bounds; White Horse Road, 6 bounds; Olmsted Terrace, 3 bounds; South Street, 15 bounds; Obery Street, 10 bounds; Billington Street, 4 bounds; Westerly Route, 6 bounds; Stafford Street, 9 bounds; Birch Avenue, 4 bounds; Ellisville Road, 15 bounds; Center Hill Road, 5 bounds.

Miscellaneous engineering work was done for the Board of Assessors, the Park Department, the School Department, the Cemetery Department, and the Planning Board.

Respectfully submitted,

EDWARD CHASE,
Town Engineer.

REPORT OF PARK COMMISSIONERS

Parks and Gardens

All parks and gardens have been kept neat and clean during the year.

Morton Park, as usual, has been very popular for picnics and bathing, especially on Sundays. Much brush has been cut and burned. The hard surfaced road has had a seal coat applied. A new rustic bridge has been erected over Town Brook at Billington Sea. A sizeable area has been cleared, graded, and made into a parking place.

The property bought from the Morton Estate for Park purposes has been graded, loamed, and seeded. Approximately 100 feet of stone wall has been laid along Town Brook at this point and 75 feet of Privet Hedge is growing nicely.

Brewster Garden has had its usual care. The bridge there has been re-enforced. Mr. Emond has made a fine entrance to Brewster Garden across his property. Town Brook has been cleaned from the Town line at Market Street to the bridge at Water Street. The brook has been narrowed and approximately 200 feet of stone wall has been relaid. This work could not have been done in the spring without disturbing the Herring Run, and not wishing to have the garden torn up during the summer, the work was put off until fall. About the same amount of work remains to be done. The balance of the \$1,000 appropriation for this work will take care of this work nicely.

The work at Bang's Park has been completed with approximately 400 feet of rustic fence being erected around the pond.

The Training Green, Park Avenue, and Bates Park have had their usual care.

Playgrounds

The playgrounds have been well patronized, and have been kept in a safe condition.

The Standish Avenue playground has been kept in good condition. The woodwork on the toilet building has had two coats of paint and the stadium seats have been painted. Approximately 400 feet of water pipe has been laid with five outlets, and two drinking fountains will be erected in the spring.

Veterans Field has had good care during the year. The band stand has been repaired, and has had two coats of paint. The toilet building has been painted inside and out, receiving two coats. The \$200.00 voted for improvements has not been used, and we hope the Town will vote added funds to hard surface the tennis court.

The Nelson Street playground has been well patronized, especially in the evening by the children of the neighborhood; the Softball League playing its games at Stephens Field and Standish Avenue.

Stephens Field has been well patronized as usual. Holmes Field, South Street, and the Manomet playgrounds have been well attended. For supervised playground activities, see the Recreation Supervisor's Report.

Recreational Program

The summer recreational program included the following activities:

I. Regular Organized Activities:

Baseball League, 16 teams, 144 boys playing 61 games in three leagues.

Arts and Crafts program at the three playgrounds, 75 enrolled. Daily swimming classes, 91 enrolled.

II. Daily Supervised Activities:

Girls softball	Badminton
Tennis	Basketball
Archery	Volleyball
Croquet	Horseshoes
Play on playground apparatus	

III. Special Features:

Fourth of July Children's Sports Program
Boys Allstar baseball games
Girls Allstar softball games
Square dancing
Tennis tournament
Baseball League picnic at Nelson Grove
Children's picnic at Edaville
Arts and Crafts display at M & M store
Annual Playground Field Day

Bathing and Camping

The bathing beaches had large attendance, especially in the month of July. The weather conditions during August caused a slight decrease in attendance. Automobile parking space seems to be the great problem at the beaches.

The camping sites at Nelson Street and Indian Reservation have been well utilized.

Receipts for Camping and Bathing

	1950	1951
Beach Park	\$795.25	\$865.50
Beach Park Concession	1,050.00	725.00
Indian Reservation	2,196.50	2,171.00
Morton Park	53.00	90.95
Nelson Street	1,194.70	1,363.90
Stephens Field	32.50	30.50

Respectfully submitted,

BOARD OF PARK COMMISSIONERS

John A. Siever

Edward J. E. Hand

Arthur M. Sirrico, Chairman

By: CLIFTON C. WOOD, Supt.

INSECT PEST CONTROL

To the Honorable Board of Selectmen:

I am very happy to report this year that again the Town is free from Gypsy Moths. For the past two years during the trapping season, we caught two male moths which again shows that Aerial Spraying was a success. We cannot forget that if we relax our efforts they can make a comeback.

The wood-tick has caused a lot of work but is now under our control. They call for a lot of dragging and spraying wherever we find them.

Elm Leaf Beetles were not very bad last year. Eastern tent caterpillars were very scarce along with Fall Webworm. Japanese Beetles were very thick last year and gave us a great deal of work.

Mosquitoes before long will require some attention. There is talk that it may be up to the Department to look into this. I think that it may require more than drainage alone to fight them. I hope the townspeople will give this problem some attention.

Dutch Elm Disease is getting very close to us and will also require a lot of attention. In scouting, and taking samples, we had twenty returned to us from Amherst, which all came back sterile as far as Dutch Elm Disease is concerned. This was due to the extra spraying done this year. We will not be able to relax our efforts as the Town of Kingston had four cases and Duxbury had fifteen cases reported. The Town of Weymouth reported 373 cases last year and 198 this year. We certainly cannot let this happen to our Town.

The Blower does a very good job and has proven a valuable piece of equipment. I hope to replace this year

our twenty-year-old (1932) Model B Ford Truck for a new one.

Respectfully submitted,

JOHN A. KENNEDY.

TOWN FOREST

To the Honorable Board of Selectmen:

The usual work was done in the Town Forest; fire lanes were harrowed and roads brushed.

This year we had a lot of cleaning of roadside to prevent fire hazards, as the choppers who cut the timbers left a lot of brush. The cutters did a very good job, as no damage was done to the small growth in the forest. All roads had brush burned at a distance of one hundred feet.

The fire tower suffered a great damage this year. The windows and frames had to be replaced as they were all broken. Now as a means of protection we have installed shutters on the tower.

Respectfully submitted,

JOHN A. KENNEDY
JAMES A. WHITE
GEORGE L. GOODING

REPORT OF TREE WARDEN

To the Honorable Board of Selectmen:

This year most of our Street Trees in the southern part of Town were trimmed. We removed one tree by the Depot as this one was in very poor condition. On Alden Street we removed one also as this was in the driveway of the new school. We also removed two on Sandwich Road, one maple in unsafe condition and a small elm which was dying.

On new developments the Department planted some thirty-five new trees.

Roads which were trimmed included: Route 44, Billington Sea Road, Micajah Pond Road, South Meadow Road, Federal Road, Bournedale Road, Obery Road, South Pond Road, Billington Street, and Summer Street and Carver Road. There is still a lot to be done along our outlying roads.

I want to thank the Selectmen for their cooperation in securing the Sickle Bar and Tractor from the Highway Department. This was a great help in cutting the brush along the roadside.

We planted some forty seedlings at the nursery which will need attention from time to time.

The chain saw has proven to be of great improvement over the cross cut saw. We have had very good luck with it and it has saved us many man hours.

This year I am in hopes of having our twelve-year-old Town car replaced.

Respectfully submitted,

JOHN A. KENNEDY.

REPORT OF CEMETERY COMMISSIONERS

The Board of Cemetery Commissioners herewith present their report for the year 1951:

OAK GROVE AND VINE HILL CEMETERIES

In Vine Hills Cemetery about twenty-five lots were graded and seeded in 1951. It is our plan to grade as many lots as possible before they are sold, that we may insure a satisfactory terrain in our cemeteries.

This year approximately 4,000 cubic yards of fill was added to the Vine Hills Cemetery Addition. We anticipate that this addition will be needed in about ten years and in view of that fact we are adding this amount of fill each year. In this way the cost is carried over a period of years where otherwise it would be a burden on the taxpayers if the work was done in one year's time at a cost of thousands of dollars.

We have made further progress in our program for better drainage in these cemeteries by the addition of another dry well.

It was necessary to have several trees taken down and a large number of trees trimmed. Additional tree work is planned for the coming year.

The regular maintenance work was carried on as usual in these cemeteries.

BURIAL HILL

Burial Hill had a great many visitors, as usual, this past year, and we feel it was one of the biggest in its long history.

The house formerly situated on South Russell Street and adjacent to the Hill was purchased by the Town and

has been razed, thus adding greatly to the appearance of Burial Hill.

THE OUTLYING CEMETERIES

The Outlying Cemeteries were maintained in the usual efficient manner in 1951.

The Chiltonville Cemetery was kept mowed and in good condition. Approximately thirty lots were graded and seeded in this cemetery. We feel that developing a section of lots in this manner results in easier and less expensive maintenance.

The Manomet Cemetery was cared for as usual with no special work having been done.

The road to the White Horse Cemetery was regraded and a new sign put up. This cemetery was mowed regularly during the year.

The Russell Mills and South Pond Cemeteries were kept mowed during the season.

Respectfully submitted,

ARTHUR E. BLACKMER, Chairman,
RICHARD T. ELDRIDGE,
JOHN B. FINNEY,
Board of Cemetery Commissioners.

HOUSING AUTHORITY

The year 1951 revealed that, although a substantial housing shortage continued in the Town of Plymouth, the erection and occupancy of the 40-unit housing project in 1950 generally eased the shortage to such an extent that the local court was able, without creating hardships, to reduce the usual stays of execution in eviction cases to about two months. This reflected a great improvement in the situation over 1949 and early 1950. The fact that surrounding towns were no longer subject to rent control and that rents in those towns accordingly rose considerably, drove a certain number of tenants into Plymouth who would otherwise be occupying apartments in the contiguous areas, but in general there was not so great a shortage of apartments that the Housing Authority felt the need to construct an additional project, as many authorities did elsewhere in the state.

A constant turnover in the waiting list for apartments in the Plymouth Housing Project was another sign that the shortage in this area has been substantially overcome, and the present and future problems of the Housing Authority revolve more around the fact that much of the housing which exists in Plymouth is substandard. To explore the need and the possibilities of a re-development program, the Board of Selectmen in November passed a resolution approving application by the Housing Authority under Title I of the Housing Act of 1949 for preliminary advances of funds and a reservation of capital grant funds. This resolution was supported by the Plymouth Planning Board, and will be presented to the Town Meeting for ratification.

During the course of the year 1951 eight tenants left the Housing Project and were replaced by the families of eight other qualified veterans. Reasons for leaving were

as follows: Active duty orders in the Air Force, 1; over income, 1; obtained employment in another town, 1; evicted by the Housing Authority for non-payment, 2; left to find lower rent, 2; moved back with in-laws, 1. This presents almost the whole range of success and failure in the achievements of the Authority. The tenant who left because of over income has now purchased a home, much to the gratification of the Authority, which encourages home owning among veterans who can afford to buy. On the other end of the scale, unfortunate economic circumstances made it impossible for one family to pay any rent whatsoever, and they resumed doubled-up living with relatives. In cases of financial stress, the Authority stood ready to make temporary reductions of rent to the minimum allowable, but even these arrangements were not sufficient in this case where heavy medical expense created extreme stress.

During the year, the Authority adopted a new rent schedule, providing that tenants with one child would pay 18% of their income for rent, with two children, 16% of their income, with three or more children 14%, except that for each additional child over three \$100 would be deducted from income before computing rent. At the same time a new schedule of admission limits was adopted, as follows: With one child, \$3,250; with two children, \$3,375; and with three or more children, \$3,500. Applicants earning in excess of these figures were considered ineligible, but tenants whose income rose over these figures after admission were allowed to remain as tenants if their incomes did not exceed \$3,750, \$3,875 and \$4,000 respectively. The purpose of the limitation is, of course, so that public housing would not compete with private enterprise in a field in which the veteran could afford to buy or build.

A payment in lieu of taxes was made by the Authority to the Town of Plymouth in the amount of \$1,373.30 in January, 1952. Although this sum is of course much less than a standard tax upon the property of the Authority

would be, it is considerably in excess of the amount which the Town was receiving from the same property prior to its purchase by the Housing Authority. The annual net tax at that time was not over \$75.

A statement of assets and liabilities of the Housing Authority as of December 31, 1951, follows:

ASSETS

Development Fund		\$8,862.25
Administration Fund		9,784.82
Accounts Receivable—Sundry		12.08
Accounts Receivable—Tenants		413.94

Total Liabilities		\$486,718.11

Respectfully submitted,

PLYMOUTH HOUSING AUTHORITY.

REPORT OF THE BOARD OF PUBLIC WELFARE

The Board of Public Welfare presents its Annual Report for the year 1951.

The members of the Board of Public Welfare on January 1, 1951, were: Harold G. Roberts, Chairman, Gordon S. McCosh and Andrew Rae, Jr.

At the Annual Town Election held March 3, 1951, Dexter M. Brooks was elected a member of the Board for three years, Margaret E. McLean was elected for two years and John J. Magee was elected for one year.

At the organization meeting of the Board held on March 6, 1951, Harold G. Roberts was re-elected Chairman of the Board; Albert A. Saunders was appointed the Secretary of the Board and Supervisor of the Department of Public Welfare. Mrs. Natalie B. Burgess was appointed Acting Social Work Supervisor of the Old Age Assistance and Aid to Dependent Children Division.

The Board of Public Welfare as Directors of the Town Infirmary appointed for the 45th consecutive year Mr. Russell L. Dickson, Superintendent, and Sarah A. Dickson, Matron of the Plymouth Town Infirmary.

At the regular meeting of the Board held June 26, 1951, Albert A. Saunders was appointed the Agent for the Board to administer all categories of Public Assistance. Mr. Saunders' appointment to become effective July 1, 1951.

The Administration of Public Assistance during this past year has presented to your Board an unusual number of problems due to increases in the "State Standard Budget" resulting from Legislative Action and an inadequate number of personnel to process the mandatory

provisions of the various Acts passed by the General Court of the Commonwealth.

Chapter 475 of the Acts of 1951 which became effective July 3, 1951, "provides for the granting of Old Age Assistance to the chronically ill who are receiving medical or nursing treatment in public medical institutions other than tuberculosis sanatoria and mental hospitals."

Effective October 1, 1951, in accordance with instructions from the State Department of Public Welfare, the "State Standard Budget" was increased in all categories from the 8.3% to 14.2%. This increase was brought about by an increase in the cost of living index as reported by the Division on the Necessaries of Life to the State Department of Public Welfare.

Chapter 489 of the Acts of 1951, effective October 1, 1951, increased the rate for Hospital care from \$10 to \$12 per diem.

Chapter 741 of the Acts of 1951 established a new category of public assistance entitled "Assistance to Persons who are Disabled." This law was enacted on October 30, 1951, and became effective November 1, 1951. Basically this new category provides for assistance to needy persons, eighteen years of age or over, who are permanently and totally disabled and who have resided in the Commonwealth for one year immediately preceding the date of application.

Chapter 801 of the Acts of 1951 provides that effective January 1, 1952, the Board of Public Welfare is required to take a lien on real estate owned by an applicant or recipient as a condition of granting Old Age Assistance and to enforce any lien upon the death of the recipient or his otherwise ceasing to receive Old Age Assistance. Lien provisions also apply to the "Disability Assistance" category. Chapter 801 further contains several other mandatory minimum budget allowances and provides for

increases in the exemptions of legal liable children in connection with their contributions toward their parents who are receiving Old Age Assistance.

Chapter 390 of the Acts of 1951 changes the residence requirements in the Aid to Dependent Children category. This law makes a child under one year of age eligible as far as residence is concerned whether born in or outside the State, provided the parent who is requesting assistance for the child has resided in the Commonwealth for one year immediately preceding birth.

PUBLIC WELFARE

The year 1951 presented the usual demand for Public Social Services and Public Assistance. 210 were granted "outside" assistance during the year, representing 516 persons. 66 new applications were approved for assistance and an additional 86 cases were interviewed and referred to other private or public agencies or were denied Public Assistance for various reasons. 149 cases were closed during the year and 64 cases re-applied for assistance during the year. The peak load for the year was at the end of March and the low point was reached during the latter part of July. At the high point 160 cases were assisted with 389 persons and the low point, 100 cases with 183 persons.

35% of the applications were made necessary by the "loss of employment because of layoff or discharge"; 22% for "illness or disablement of the Recipient or Parent in the home"; 14% by the illness of other persons in the home"; 9% because of "Depletion of Resources"; 7% because of "Loss of Employment of other person in the home"; and the balance for other and various reasons.

The year 1951 closed with 111 cases receiving "outside" assistance, representing 247 persons. 87 of these cases were with a Plymouth settlement, 5 with settlements in other

towns and cities, and 19 were without a settlement in this Commonwealth.

Increased employment during the year made it possible to decrease many cases to a small amount of supplementary assistance and to close many others. At the close of the 1951 year \$26,257.73 was returned to the Town's "Revenue" account, and although the 1951 appropriation was \$120,557.33, the final cost to the Town of Plymouth for the entire year 1951 amounted to \$41,753.91.

INFIRMARY

The services and facilities of the Town Infirmary were made available to 10 persons during the year, a total of 2425 patient days.

On the Sunday evening before Christmas, the Lion's Club gave the residents of the Infirmary a Christmas Party and it was sincerely appreciated.

On June 19, 1951, in accordance with Chapter 121, Section 7, of the General Laws of the Commonwealth, Miss Mary A. Keegan, R.N., Infirmary Inspector for the Commonwealth, made her official inspection of the Infirmary. Miss Keegan's report was unusually complimentary to the Board, as the Directors of the Infirmary, for their methods of operation at the Town Infirmary, and to the Superintendent and Matron for their kindness and understanding of the problems necessary to "Inside Aid."

The total cost for the operation of the Infirmary for the year was: Salaries \$3,577.95, and Other Expenses \$6,302.91, a total expense of \$9,880.86.

The 1951 Appropriation was Salaries \$3,685.30, and Other Expenses \$7,200. A total of \$10,885.30. The Actual cost to the Town was Salaries \$3,577.95 and Other Expenses \$6,302.91, a total of \$9,880.86. \$2,434.42 was received from the State and Other Sources, making the

Cost to the Town for the entire year \$7,446.44, and \$1,004.49 was returned to the "Revenue Account."

OLD AGE ASSISTANCE

In the Old Age Assistance category of assistance, the year opened with 510 persons receiving assistance during the month of January. The low-point of the case load came in May with 507 cases being assisted and the high-point of the year came in August with 519 persons receiving this type of aid. The year closed with a case load of 516 cases with a monthly average of 513 cases for the year.

The total cost of Old Age Assistance for the year was \$444,241.79. The Federal Government contributed \$169,679.63, the State \$198,150.18, and the cost to the Town of Plymouth was \$76,411.98. \$9,837.02 was returned to the Revenue Account and \$33,187.81 of Federal Funds remain to be used during the 1952 year.

AID TO DEPENDENT CHILDREN

In the Aid to Dependent Children category of assistance, the year began with 95 cases composed of 79 parents and 191 children. The largest number of cases were assisted during the month of February when 97 cases received Aid, these cases contained 80 parents and 191 children. The low point came in September when 80 cases were assisted containing 68 parents and 164 children. The year closed with 82 cases composed of 70 parents and 166 children.

The cost of the A. D. C. program for the year was \$114,946.53. \$51,112.95 of Federal Funds were used during the year, the State reimbursed approximately \$38,000.00 as their share, which made the approximate cost to the Town for the year \$25,833.58. \$16,166.42 was transferred to the "Revenue Account" at the end of the year and \$1,086.03 of Federal Funds are on hand for use during the year 1952.

DISABILITY ASSISTANCE

As mentioned previously in this report, the Disability Assistance program is new this year, having become effective on November 1st.

17 cases were aided, having been transferred from the General Relief category, and the funds from General Relief used for the balance of the 1951 year as provided by Chapter 741 of the Acts of 1951.

SUMMARY

The entire cost of the Public Assistance Program in Plymouth during 1951, including all Salaries and Administration and the Town Infirmary operation, was \$682,556.11.

The Federal Government furnished \$222,561.39 of that amount and the State Department of Public Welfare reimbursed the Town to the extent of \$272,983.76, and \$2,328.23 is still due from other Cities and Towns. This makes the cost to the Town of Plymouth, for the Public Assistance Program, for the year 1951, \$184,682.73.

There is remaining to be spent during the 1952 year the sum of \$34,745.98 in Federal Funds. \$58,400.54 was transferred to the "Revenue" Account at the end of the year, and this amount, with the \$272,983.76 received from the "State," resulted in \$333,384.30 being added to the "Revenue" Account of the Town by the Board of Public Welfare's Administration for 1951.

Respectfully submitted,

BOARD OF PUBLIC WELFARE

Harold G. Roberts, Chairman
Gordon S. McCosh
Dexter M. Brooks
Margaret E. McLean
John J. Magee

REPORT OF THE BOARD OF RETIREMENT

To the Citizens of the Town of Plymouth:

The Board of Retirement presents herewith its fifteenth report covering the activities and condition of the Contributory Retirement System for the year 1951.

There were many amendments to Chapter 32 during this past year and we cite the following as perhaps the most important to our members:

Chapter 99—Requires the Town to pay into the annuity savings fund, for retirement purposes only, the amount which an employee, receiving workmen's compensation, would have paid into the system had his employment not been interrupted by his industrial accident.

Chapter 543—Redefines "employee" to include school lunch employees and gives these employees the privilege of make-up payments to receive credit for service prior to the time they were admitted.

Chapter 594—Refers to the effect of hypertension or heart disease of a permanent policeman or fireman on retirement for accidental disability.

Chapter 644—Increases the maximum age for eligibility for membership of an employee originally entering the service of the Town from 55 to 60 years.

Chapter 781—Increases the retirement allowance of certain pensioners, if accepted by the Town.

Chapter 783—Refers to guaranteed retirement allowances of certain pensioners.

Chapter 784—Is a clarifying amendment with regard to the rights to retirement allowances of certain employees resigning, failing of re-election or reappointment, etc.

Contributory Retirement System

Board of Retirement, Plymouth

REPORT OF THE PLANNING BOARD

The Board held sixteen formal meetings during the year and made several field trips for inspection purposes. Seven preliminary subdivision plans were considered, eight public hearings concerning subdivisions were held and a total of eleven new subdivision record plans were formally approved.

The Board has held meetings with the Manomet School Building Committee, the Plymouth Housing Authority, the Manomet Fire Station Committee, the Plymouth Beach Park Committee, the Town Brook Committee of the Plymouth Woman's Club and with the Off-Street Parking Committee. Much time has been given to the question of possible use of the old high school building; and the Board has concurred in disposing of the old Cold Spring school. The Board acts with the Selectmen in approving proposed new street lay-outs, etc.

The Board, as directed by the statute, conducts hearings on proposed changes in the Zoning By-Law of the Town, and will submit its recommendations for action by the voters.

The Town Engineer and the Building Inspector attend meetings of the Board and participate in its discussions. The Board again expresses its appreciation to Town Accountant Cora Grady for her capable and extremely valuable assistance.

ANNUAL REPORT OF THE BOARD OF SELECTMEN

For the year ending December 31, 1951, it can be said that the Town government operated efficiently and within the limits of funds appropriated at the annual and special Town meetings.

Due to increasing automobile travel in and through our Town, a study of safety conditions was made in an effort to prevent accidents. Wherever possible, street corners were broadened and in dark areas, street lighting was improved by increasing candlepower and installing additional lights.

The most heavily travelled streets of the Town were given more attention than others because of safety reasons. However, it has long been a policy of the Selectmen to recondition as many side streets each year as the budget appropriations will allow.

A portion of Rocky Hill Road was started late in the year under the statute that provides contributory funds from the State and County. Standish Avenue was expected to be repaired under the same program but funds from the State were not made available. It is expected to complete Rocky Hill Road in the year 1952 and a portion of Standish Avenue.

The economic situation of the larger industries of Plymouth has been a matter of great concern to the Selectmen and everything that is possible is being done by the Board to help remedy conditions.

Constant contact with the State authorities is being maintained in an effort to regain the shellfish industry which has disappeared but to date no encouragement is offered by that department.

The results of the previous insect and pest control program were noted this year and proved to be of great benefit to the Town. A continuation of the program is recommended.

The commercial fishing and also the yachting interests are increasing progressively and considerable study has been made to accommodate all.

The contemplated construction of a new Town wharf will be of sufficient size to accommodate the commercial fishermen and, with the expected dredging, will provide the necessary shelter for both the fishermen and yachts during heavy weather.

Home building continues to increase which provides additional tax revenue and also requires additional public utilities.

The Selectmen have cooperated with the Plymouth Chamber of Commerce, taking advantage of all opportunities to increase our tourist trade which reflects favorably in our Town economics.

Considerable interest has been evidenced at the Plymouth Airport by both local and visiting enthusiasts and some financial attention is recommended in the year 1952 to further stimulate business in Plymouth.

In substance, although costs are unusually high, the general outlook of our Town is encouraging.

The year 1951 marked the 50th anniversary of the present Library building. At a special meeting of the Plymouth Public Library Corporation held on January 19, 1901, the following letter was read:

To the Executive Committee of the Plymouth Public Library

Dear Sirs:

We, the children of William Goodwin Russell and Mary Ellen Russell, are desirous of erecting in the Town of Plymouth a memorial to our parents, and would like to have such a memorial take the form of a public library building.

If it would please you to accept it, we are prepared to give a building, costing about twenty thousand dollars, to be called the Russell Library, to be erected on a lot suitable for the purpose provided by your Corporation.

Very truly yours,

LYDIA G. R. ALLEN
MARION RUSSELL TOWNSEND
THOMAS RUSSELL

The record of that special meeting continues:

"Voted, that the members of the Plymouth Public Library Corporation gratefully acknowledge and accept the generous offer of the children of William Goodwin and Mary Ellen Russell to erect in Plymouth, as a memorial to their parents, a public library building, and extend to them their sincere thanks for this liberal gift."

The building was completed and opened to the public in June, 1902, and during the intervening 50 years the residents of Plymouth have enjoyed the use of a fine collection of books housed in an appropriate and architecturally satisfying building.

Although there was no formal celebration of the 50th anniversary, there were two noteworthy accomplishments by the Board of Directors.

First, the adoption by the Town Finance Committee of the policy of recommending an annual appropriation sufficient to cover the Running Expenses of the Library. Previous to this time, in order to meet rising costs, the Annual Town Appropriation had been supplemented with increasing amounts from the Library Corporation's Income from Invested Funds. The Town Finance Committee agreed with the Library Board of Directors, that since the Town does not contribute to Building Maintenance or Equipment Replacement, the Income from the Corporation's Invested Funds should be conserved for these purposes, and not used for Running Expenses.

And second, having reached this understanding with the Town Finance Committee, the Directors started planning a program of needed repair of the building. They began with the most important and most expensive job—the repair of the roof. This is practically completed, and the roof should last another fifty years.

The circulation for 1951 was slightly under that of 1950. This was generally true of libraries the country over. There is no simple explanation. It may be partly due to television, and partly to the fact that people have more and more demands on their time for church and civic organizational work. The records for circulation in the Children's Departments, however, show an increase over 1950.

We had 91 requests for books that the Plymouth Public Library does not own, and that we tried to borrow on Inter-library loan. 75 of the requests were filled.

As in previous years, we have cooperated with the High School teachers in their efforts to teach the use of the Public Library. At different times during the year we have had groups of books on many different subjects kept on reserve for use at the Library by approximately 300 High School students.

The occupations of those borrowers in the Adult Department who either registered for the first time or who renewed their registration are tabulated below. (Since each new or renewed registration is for a period of 4 years, this does not, of course, represent the total registration.)

"At home"	272
Students	275
Clerk and office workers	85
Professional	57
Skilled workers	45
Unskilled workers	24
Personnel Management or Self-employed ..	35
Miscellaneous	24

Miss Lucas of the Library Staff has given book reviews as requested by various organizations. During 1951 she gave Book Reviews at the regular meetings of the Women's Guild of Chiltonville, the Women's Society of the Plymouth Methodist Church, The Jones River Village Club, the Kingston Branch Alliance, the Kingston Parent-Teachers' Ass'n, the Hadassah of the Plymouth Synagogue, and the Guild of the Plymouth Church of the Pilgrimage.

We have had exhibits by local artists almost continuously. Some of the outstanding ones were: the one arranged for Art Week by the Arts and Crafts Committee of the Woman's Club, the Plymouth High School Camera Club Exhibit, the art work of the children in the elementary schools taught by Robert Andrews, the work of Junior High School students taught by Mrs. Margaret Brown, an exhibit by David Crawley, and a collection

of paintings and pencil sketches by the late George Errington.

In Book Selection, which is the purchasing of new and the replacing of older books, the policy is to purchase first the books of permanent value, second, those that are significant and timely, and third, those that are in popular demand, providing they meet certain standards.

The outstanding book of the year in this Library was *Kon-Tiki*, the true story of an ethnologist and his five companions who sailed on a raft from Peru to a small island near Tahiti. And in the last months of the year, *The Sea Around Us*, by Rachel Carson, has also been very popular. The author is a scientist, but she has written this for the layman.

JUNIOR DEPARTMENT OF THE MAIN LIBRARY

Ann E. Lucas, Children's Librarian

Miss Ann E. Lucas, Children's Librarian, reports that 16 more children were registered in 1951 than in 1950. She reports also a very successful Book Week in November. Twelve of the grade teachers brought their classes to inspect the new books, and to give some of the children their first visit to the Library, and an opportunity to register in order to borrow books. The two Story Hours held during Book Week were very well attended.

There seems to be a revived interest, too, in the State Reading Certificates. A small certificate is given for reading and reporting to the Librarian on five books, and a large Certificate is given for reading and reporting on 20 books, five of which must be non-fiction.

The work with the children in the grades is augmented by deposits of 30 or 40 books that the teachers request for use in the schoolrooms. Last year we loaned 38 of these deposits, with a total of 1,223 books.

LORING BRANCH LIBRARY

North Plymouth

Staff: Minnie B. Figmic, Librarian

Ruth B. Walker, Assistant

Loring Branch was open 303 days, 37 hours a week.

BOOK STOCK

Number of volumes added by purchase:

Fiction	338
Non-fiction	293
Total	631

Number of volumes withdrawn:

Fiction	51
Non-fiction	17
Total	68

Beginning in May, 1951, the circulation began an increase that continued steadily through December, making a gain of 1563 over the 1950 circulation.

In May, Mrs. Inez C. White, who had been Assistant for two years, resigned in order to take a position with the Cordage Company. We are very fortunate in having Mrs. Walker, who is so well qualified by training and experience, as Assistant.

Five Story Hours were held during 1951 with an average attendance of 60. Mrs. August P. Hunicke and Miss Margaret Kyle generously gave of their time and services to make these popular afternoons a great success.

The Deposit Library in the Hedge School is still filling a great need. Because of distance many boys and girls find it impossible to visit the Library. With the books right in the school building, these boys and girls are not

deprived of good reading. In spite of a change of principals in the middle of the school year, and a long interval before we could get in action again, 934 books were circulated in the school year.

All during the year, the teachers bring their classes from the Hedge School for browsing in the Junior Room and to select groups of books to take back to school. Many of the children register for the first time.

The "Teen-age" section of the Junior Room, which was started about four years ago, is growing in size and popularity. At Loring Branch Library we are very fortunate in having the space to develop this work with young people.

Afternoons at the Loring Library are busy with young people from 5 to 20, all in search of a good book or doing reference work for their home lessons.

As the Librarian has emphasized before, the importance of the Loring Branch Library lies in its services to the children and young people in North Plymouth. While we have many devoted and appreciative adult readers, many of them have limited time to spend in reading. But the young people feel that the Loring Library is an integral part of their community life. It is hoped that the hours that they have spent here and the books they have borrowed and read will always have some influence on whatever the future may have in store for them.

Respectfully submitted,

MINNIE B. FIGMIC,
Librarian, Loring Branch Library

NINETY-SEVENTH ANNUAL REPORT
OF THE
Water Commissioners
AND
Superintendent
OF THE
Town of Plymouth
Massachusetts

FOR THE YEAR ENDING
DECEMBER 31

1951

NINETY-SEVENTH ANNUAL REPORT OF THE WATER COMMISSIONERS

The Board of Water Commissioners presents its ninety-seventh annual report covering the year 1951.

The total rainfall during the year amounted to 45.90 inches, which was about an average amount but was not sufficient to overcome the shortages in recent years, as the elevation of Great South Pond on December 31, 1951, was 102.25, the same as it was one year previous to that date.

The amounts received by the Town from the sale of water, connections to new mains, services rendered, etc., were as follows:

	Rates	Labor	Misc.	Total
North of Stone Tank	\$58,305.32	\$79.00	\$741.13	\$59,125.45
South of Stone Tank	14,178.44	412.00	450.00	15,040.44
	\$72,483.76	\$491.00	\$1,191.13	\$74,165.89

The greatest amount of water pumped at the Lout Pond Station in any one day was 1,889,000 gallons on July 16th, when the pumps operated 18½ hours. The tabulation of the pumping throughout the year at this station and the Deep Water Station appears on a following page.

The total amount pumped at the Manomet Station was 19,870,000 gallons. The greatest amount pumped in one day was 461,300 gallons on July 14th.

Lout Pond Station—Low Service Meter and Chlorinating Equipment

In order to install the necessary connections for the new low service meter and chlorinating equipment, a large concrete pit was constructed near the Lout Pond Station. The Venturi tube was set in place in the low

service main and connections made to the totalizer and recorder, which are installed in the basement of the station and measure the consumption of water in the low service system. The meter was placed in operation on July 3, 1951, and since that time we have an accurate record of that consumption which we have not had for many years.

The connections to the Low Service Chlorinating apparatus were also made to the Venturi tube above referred to and the system was placed in operation in July.

New Ground Water Supply

The exploration for a new supply of ground water was carried on in several locations. Small test wells were driven in each of the following locations: Between Summer and Samoset Streets, not far from Sparrow's Hill, near Leach Pond and west of the new By-pass opposite Cherry Street. Several small wells and two eight-inch wells were driven in and near the Rye Field. Early indications in this area were favorable, but the larger wells, sunk to greater depth, did not prove satisfactory.

The owners of the various properties were very cooperative and willingly granted permission for the investigations. Some water was found at each location, but the quantity and the quality of the water or the character of the material in the ground indicated that further investigation in any one of these areas was not justified.

The last test well driven was on land belonging to the Town near the Lout Pond pumping station. An eight-inch test well was driven to a depth of about 117 ft. where resistance was encountered, probably ledge. The material at that depth is very coarse and suitable for a good flow of water. Analyses of the water were good and there seems to be an ample quantity available.

The pump installed for testing purposes gave a discharge of 425 gallons per minute during a continuous run

of thirty-six hours. In order that a longer test could be made, the Finance Committee granted a transfer of additional funds. The second pumping test lasted for four and one-half days during which the rate of discharge continued the same as before. The well driver and the authorities of the Commonwealth report that this location is suitable for further development.

The Water Commissioners were somewhat disappointed that the search for water farther to the north was not successful, but are gratified that the location finally discovered bears excellent prospects and has the advantages of being near the present distribution system and reservoir and is on land owned by the Town.

The Commissioners believe that the South Ponds will continue to supply water to the Town for an indefinite time. Nevertheless, the low levels of recent years indicate that it would be prudent to develop some additional source of supply. If the ponds go much below the December, 1951, level of 102.25 the flow of water to the pumps would be seriously lessened, the rate of pumping reduced, and consequently drastic limitations in the use of water would be necessary.

We are therefore asking the Town for funds to further develop the well near Lout Pond. The appropriation asked for is for the construction of the well only. It would then be tested for a considerable period to make certain that expenditure for the installation of permanent pumping equipment, construction of a small station and connections to our distribution system were advisable. The development of a new source of water supply requires considerable time. The program suggested offers the most feasible and economical way in which to proceed.

Special Articles for 1952

We are asking for several special appropriations under articles to be included in the warrant for the annual Town Meeting in March, 1952.

\$15,000.00 is asked for the construction of a new gravel-packed well near Lout Pond, as recommended by Metcalf and Eddy, Engineers, in their letter dated January 15, 1952, a copy of which is in the hands of the sub-committee of the Finance Committee.

\$25,500.00 is asked for new water mains in Manomet Heights in parts of the following streets:

Hemlock Street	520 ft. 6" main	\$2,081.00
Pearl Street	1,770 ft. 8" main	11,668.00
Beach Street	1,900 ft. 8" main	11,729.00
		\$25,478.00

This is contingent on the payment to the Town of three dollars (\$3.00) per linear foot of main or \$12,570.00, by the developer before the work is undertaken.

\$32,500.00 is asked for to construct new mains and services in Cape Cod Avenue and Reed Avenue and adjacent streets, provided the streets are properly graded and accepted by the Town.

We ask for an appropriation to purchase a new ½-ton pickup truck in exchange for the pick-up now in use which was purchased in 1947 and has been driven over 70,000 miles. Repairs on this truck in the last year have been expensive. The exchange will probably cost about \$1,200.00 including a canvas cover, spare tire, etc.

Respectfully submitted,

EDWARD R. BELCHER, Chairman
RICHARD T. ELDRIDGE, Secretary
DANIEL F. MULCAHY

ANNUAL REPORT
OF THE
Town Accountant
OF THE
Town of Plymouth
Massachusetts

FOR THE YEAR ENDING
DECEMBER 31

1951

FORTIETH ANNUAL REPORT OF THE TOWN ACCOUNTANT

For the year ending December 31, 1951

To the Board of Selectmen
Town of Plymouth

Gentlemen:

I submit herewith report of the financial transactions of the Town of Plymouth for the year ending December 31, 1951.

The cash balance at the end of the year was \$810,739.50, of which \$446,549.27 represented revenue cash and \$364,190.23 non-revenue cash.

It was necessary to borrow \$300,000 in temporary tax notes. However, these were easily paid when due.

The Excess and Deficiency Account showed an improvement over a year ago, the balance at the close of the year being \$330,129.44, due to excess estimated receipts of \$52,176.22 and unexpended appropriation balances returned of \$98,314.01, and despite the fact that we appropriated \$76,818.10 from this account at the annual town meeting and \$29,000 at the special town meeting.

No unpaid bills were reported to this office and there were no overdrafts.

The several schedules are in the following order:

Schedule A. Cash Receipts and Cash Payments as reported to the Division of Accounts of the Commonwealth.

Schedule B. Departmental and all special appropriations and such receipts, including Federal Grants, as may be legally expended without specific town meeting appro-

priation, with all payments from same classified as to purpose.

Schedule C. Estimated Receipts, other than from local taxes, as used, with the approval of the Tax Commissioner, by the Assessors in making the 1951 tax rate. This schedule also shows the actual cash receipts from the same sources.

Schedule D. Revenue Account for 1951.

Schedule E. Excess and Deficiency Account.

Schedule F. Balance Sheet, December 31, 1951.

Schedule G. and H. Bonded Indebtedness, Jan. 1, 1952.

Schedule J. Calculation of the town's borrowing capacity on January 1, 1952.

Respectfully submitted,

CORA B. GRADY,
Town Accountant.

1970 and 1971.
Maturity Date 1971

\$290,000.00

SCHEDULE I

TRUST FUNDS

CEMETERY PERPETUAL CARE FUNDS

As the funds have to be written up at the bank at least three times each year, the only practical way of keeping them is in the order of deposit date and bank book numbers; the older funds at the head and the new funds placed each year at the end of the printed lists.

A fund always appears in the same position relative to the others.

Beginning in 1940 and continuing in subsequent years sub-page numbers will be printed to facilitate reference to any particular fund by those interested.

An alphabetical index of the Perpetual Care Funds is kept in the Town House, for quick reference.

Deposited in Plymouth Five Cents Savings Bank:

Russell Tomlinson	\$203.80
Betsey C. Bagnell	345.37
Rebecca D. Ryder	467.00

FOR THE YEAR ENDING

DECEMBER 31

1951

IN APPRECIATION

We, the undersigned members of the Plymouth School Committee, hereby express to our fellow committeemen, Mr. David A. Cappannari and Dr. William E. Curtin, our deep appreciation of the services they have rendered to the schools of Plymouth during a period of nearly 15 years. Mr. Cappannari was appointed to the School Committee in May, 1937, to succeed Mr. Edward A. Buttner, deceased. Dr. Curtin was appointed in June, 1938, to succeed Mr. Edward W. Bradford, retired. Both have been re-elected regularly and have served continuously since appointment. It was with deep regret that we learned of their decision to retire from the School Committee at the end of their term, March 1, 1952.

Mr. Cappannari and Dr. Curtin have given unstintingly of their time in the effort to give wise direction to our Plymouth schools through unusually difficult years—the years of recovery from the effect of world-wide financial depression and the distressful years of World War II with the resulting shortages of teachers and of schoolhousing. We are most grateful to them for their intelligent and courageous support of all efforts to meet these problems constructively and wisely. We extend to them our heartiest congratulations on having rendered to the schools of our community through these many and difficult years a service characterized by breadth of vision as well as practical common sense acquired through mature experience, by a fine spirit of co-operation, and always by a wholehearted devotion to the welfare of the children and youth of our community.

E. HAROLD DONOVAN, Chairman
SIGNE L. J. BORGHESANI, Secretary
WILLIAM H. ARMSTRONG
RALPH C. WEAVER

ANNUAL REPORT OF SCHOOL COMMITTEE AND SUPERINTENDENT OF SCHOOLS

To the Citizens of Plymouth:

We are glad to submit below the annual report of the public schools, which this year will be a joint report of the School Committee and Superintendent of Schools. The report will record some indications of progress in 1951 and will mention certain needs yet to be met.

TWO MAJOR SCHOOL PROBLEMS

The two most challenging problems created by World War II and confronting schools throughout the country are: (1) the great need for more trained teachers—a problem which we hope can be at least partially solved by improvement in salaries and by the co-operation of Liberal Arts Colleges, and (2) the need for more and better school buildings—particularly elementary school buildings at this time. These problems arose from the extraordinary increase in the birth rate since the close of the war and from our inability during the war to replace old buildings with new or to rehabilitate school buildings long in use.

TEACHERS' SALARIES AND TEACHER SUPPLY

The salary appropriation for 1951 placed Plymouth on a competitive basis with other comparable communities in Massachusetts in respect to the minimum and average salaries paid teachers. We have been working toward this goal each year since the new schedule was adopted in 1947. The School Committee is gratified with the progress made in this direction and has voted to put into effect as of January 1, 1952, the professional study requirement earlier contemplated in the formulation of the schedule and agreed upon by teachers and the Committee, whereby teachers are required to earn four credits for professional

study during each three-year period in order to advance on the salary schedule. This is a provision being made by an increasing number of communities to encourage teachers to grow in proficiency and to be able to appraise and apply worthy new developments in the science and art of teaching. In this connection, it should be said that a considerable number of Plymouth teachers have been taking professional courses during the past several years, and the proportion of our staff having 5 or 6 years of post-high school training is above average in Massachusetts towns ranging from 5000 to 50,000 population.

It is, of course, disturbing that we no sooner find ourselves in a competitive position for teaching service by reason of the salary increases granted in recent years than we find that further increases become necessary because of a further depreciation in the purchasing power of the dollar. To meet this situation many of our competing communities are again increasing salaries. In order to maintain the purchasing power of the teachers' salaries in Plymouth, the Committee is requesting an appropriation for 1952 that will revise upward the salary schedule by 5% and provide also the usual annual increment of one step on the schedule. The action of the present State Legislature in increasing the state minimum salary payable to teachers in Massachusetts from \$2300 to \$2500 or 9% is added evidence of the necessity for increased compensation to teachers.

In considering the matter of teachers' pay we cannot disregard the warning of state and federal authorities that far too few of our young people are preparing for teaching as a life work. The numbers will fall short of meeting the requirements of the schools four years hence. The allurements of other occupations are too great and many of these occupations require much less preparation than four or five years of post-high school education. Herein lies one of the most critical problems facing our local schools. It is also nation-wide in scope.

For year ending Dec 31, 1951

—322—

SCHOOL BUILDING PROGRAM

The need for additional school housing both for our present enrollment in Plymouth and for the expected growth in the school population have been set forth in preceding annual reports. We are gratified that significant progress is being made in meeting these needs.

NEW COLD SPRING SCHOOL

The new Cold Spring School was opened on September 5, 1951, the first day of the new school year, with an enrollment of 209 pupils. This is the first building to be completed in the new school building program in Plymouth. The school is located on approximately 8 acres of land containing the former Murray lot on Alden Street and is about midway between the Hedge and Cornish Schools in one of the more rapidly growing sections of the Town.

Built in accordance with the best standards of modern elementary school design, this structure was planned to take full advantage of the area of the lot and its topography. The ground floor, with front entrance on Alden Street, contains the auditorium and cafeteria. The auditorium is 38' x 55', has a good stage, and a seating capacity of 300. The floor is of asphalt tile and the ceiling of sound-absorbing acoustical material. The walls are textured plaster with a wainscot of glazed tile. The auditorium may be used as a playroom when a part or all of the folding chairs are removed and stored.

The dining room adjoins the kitchen but may be completely shut off and used for pupil activities when it is not in use as a cafeteria. The dimensions of the dining room are 36' x 38'. The kitchen is 23' x 38'. It contains up-to-date equipment for preparing large quantities of food and now serves as the food preparation center for four elementary schools. Glazed tile wainscoting is found in both kitchen and dining room. The building is planned so that the auditorium and dining room can be used for community purposes without interfering in any way with

COLD SPRING SCHOOL
Dedicated December 2, 1951

the classroom section of the building. Public conveniences are provided on the ground floor.

All of the eight classrooms, with the exception of the Practical Arts room, are on the main floor of the school, which is entered from Standish Avenue. The classrooms are approximately 23' x 36'. Each room is equipped with built-in pupils' wardrobes and provided with ample storage space for pupils' work and instructional materials. Plastered walls are painted in attractive pastel shades which take full advantage of natural light, harmonize with the color scheme of the room, and are restful to the pupils' eyes. The ceilings are of sound-absorbing acoustical tile, the floors of asphalt tile. There is ample tack board space for the display of pupils' materials and a green chalkboard adds to the attractiveness of the room. A sink with hot and cold water and bubbler is provided in each classroom. Directional glass blocks with a strip of clear glass below give excellent natural lighting with a minimum of sky glare. Artificial lighting in the classroom is provided through flush lens fixtures. The room

for beginning pupils is larger than the other classrooms, thus making provision for varied activities. It has its own lavatory and separate entrance.

In general, the building is of first-class construction. All floors are reinforced concrete. Exterior walls are of solid masonry with facing of red water-struck brick. The roof construction is of steel and wood; pitched roofs are covered with slate and flat roofs with tar and gravel. All exterior windows on the front of the building are of wood sash. The classroom windows are of steel sash.

The offices and supplementary rooms include a dental clinic, health room, secretary's office, principal's office, and women teachers' room. Toilet-rooms have floors of ceramic tile with glazed tile wainscot and plastered walls above. The corridors have linoleum wainscots over plastered walls. The hall floors are of asphalt tile and the ceilings are acoustically treated.

Financial Statement

TOTAL		\$429,000.00

NEW MANOMET SCHOOL

Carrying out the vote taken at the Annual Town Meeting of March, 1951, on Article 75 of the Warrant, the Manomet School Building Committee worked with the Town Planning Board and the School Committee to make a complete study of the elementary school housing needs

in the Manomet area. Three firms of architects studied the problem and made reports.

The firm of Walter Gaffney and Associates was chosen to make complete plans for a new building. These plans, together with alternate plans for an addition to the present Manomet School, were presented at the Special Town Meeting on September 27, 1951. It was voted unanimously to accept the plans for a new Manomet School to be erected on approximately ten acres of land known as the Pratt lot on Point Road, Manomet. An appropriation of \$300,000 was voted to carry out the plans.

Plans for the new school call for the construction of a six-classroom elementary building with a brick veneer exterior. This building is to have a clinic for the use of the medical and dental staffs, teachers' lounge and work room, and a multi-purpose room for use as a lunchroom, auditorium, and playroom. A stage will be built at one end of the multi-purpose room to facilitate its use as an auditorium. A kitchen will be located at the opposite end of the room.

Bids on the general contract were submitted by fourteen construction firms. The contract was awarded to the low bidder, C. A. Batson, of Brockton, Massachusetts. The contract calls for completion of the school by October 31, 1952. Russell W. Anderson was appointed to serve as Clerk of Works.

The members of the Manomet School Building Committee are: Dr. Bryce Prindle, Chairman; Mr. Alton Valler, Secretary; Mr. Howard Barnes, Mr. Thomas Dutton, and Mr. Ralph C. Weaver, representing the School Committee. The original School Planning Committee which made the survey and reported to the Town at the annual and special Town Meetings was composed as follows: Mr. Russell W. Anderson, Chairman; Mrs. Louise Meyer, Secretary; Mr. Thomas Dutton, Mrs. Albert Hayden, Mr. Lionel Moreau, Dr. Bryce Prindle, and Mr. Alton Valler.

REHABILITATION OF EXISTING BUILDINGS

During the war period little could be done by way of repairing and improving school buildings. Since that time, there has been a continuous effort to make needed repairs and improvements. The following major undertakings should be mentioned.

Mt. Pleasant School

- 1945—New heating plant
- 1948—Exterior of building painted
- 1951—Entire interior painted, classroom floors refinished, boys' toilets modernized

Cornish-Burton School

- 1949—Cornish exterior painted
- 1950—Exterior of Burton painted
- Entire interior both Cornish and Burton painted
- New sanitariums installed in Burton
- New floors were laid throughout both buildings

Hedge School

- 1947—New heating plant
- 1949—New level playground constructed, doubling area
- 1950—Draining playground and hard-surfacing portion of playground

Oak Street School

- 1950—Exterior and interior painted
- 1951—New heating plant installed, new floors laid throughout, boys' toilets modernized

NEXT STEPS CONTEMPLATED IN REPAIR PROGRAM

The School Committee is asking appropriations for a continuation of the repair and improvement program in 1952 as follows:

- (1) For painting the interior of south wing of Hedge School — \$2000.
- (2) Painting of exterior of Junior-Senior High and interior of Junior High, waterproofing of east and west ends of Senior High, modernizing boys' toilets in Junior High — \$16,000.
- (3) Draining, grading, seeding, and fencing newly acquired playground area at Junior High School — \$4,000.

SENIOR HIGH SCHOOL

This year's enrollment at the Senior High has reached the highest point for several years, the December enrollment being 478 pupils, about 30 more than last year. This increase resulted from the entrance of an exceptionally large ninth grade from the Junior High as compared with a relatively small class of 116 graduating last June. Principal Edgar Mongan reports that these larger numbers and the choices of elective subjects made by pupils have given rise to certain space problems. Though the problem of available classroom space is not likely to become more acute within the next several years, it undoubtedly will become acute as soon as the larger classes now found in the first four grades of the elementary schools move forward into grades 10 to 12, unless other circumstances arise in the meantime to decrease the High School enrollment. Principal Mongan points out that the proposed vocational school if established would offer much additional space and at the same time would adequately fulfill our need for vocational training of which we now have a very small offering particularly for the boys, namely the courses in radio, basic machines, and electricity — studies introduced at the behest of our Armed Forces during the war period. These courses have been retained as pre-vocational courses which help to arouse and sustain the interest of certain students to whom academic subjects have little or no appeal.

Along with the need for vocational training, consideration should be given to the strengthening of our work in educational and vocational guidance. After our boys and girls in the elementary grades have laid the foundation for further training and have moved forward into the Junior and Senior High School grades, the schools should be able to assist them in considering such questions as:

- (1) In what field of work do my chief interests lie?

- (2) For what fields do my qualifications seem likely to fit me?
- (3) What are the advantages and disadvantages and the financial rewards found in these fields of work?
- (4) What further training beyond High School do these fields of work require?

In the pre-high school grades, namely 7, 8, and 9, the two guidance counselors are teachers who give about half time to counseling. They encourage the pupils to begin thinking along these lines and help individuals to make needed adjustments in school as well as counsel with both parents and pupils in regard to the choice of courses.

Guidance service is not at present adequate on the Senior High level. Prior to the World War, the Principal, Dean, and one or two faculty members all of whom have had training in guidance counseling carried on the program, each giving part-time to it. Soon, however, the faculty members went into the Armed Forces. Since their return, their regular teaching assignments have absorbed their entire time during the school day and the counseling service has been largely limited to such time as the Principal and Dean have been able to give it with such supplementary help as has come from the Boston University Testing Service. These tests have been given each year for several years to pupils in grades 10 and 12 and show pupil achievement, interests, and aptitudes. Many of our neighboring communities including Norwood, Needham, Weymouth, and Stoughton are developing effective guidance programs. How best to strengthen our Plymouth guidance program on the Senior High School level is a problem to which Principal Mongan asks our early consideration.

JUNIOR HIGH SCHOOL

Though the Junior High School is reduced by about 30 pupils this year on account of the unusually large ninth grade which graduated to the Senior High in June, Principal Mary Dolan points out that a considerable number of the class groups are larger than the classrooms were intended to accommodate. We are doubtless approaching the time when it will be necessary to consider reducing or eliminating the tuition pupils of whom we now have 58 in the Junior High School. A new consolidated school recently opened in Carver and the proposed Union High School to serve Kingston and associated towns, if constructed, may soon afford a substantial reduction in tuition pupils. Among the various needs by way of equipment should be mentioned new desks in the Art room to replace the high tables moved in from the old High School building, also modernized equipment in the cooking room.

Standardized Testing Program

The Boston University Testing Service, as applied in the Junior High School, supplies the school, the pupil, and his parents with reliable information about the pupil's achievement in the fundamentals of reading, English, and mathematics.

The selection of a course of study by the pupil has too frequently been the result of nothing more than snap judgment. The sign posts provided by the test, if properly interpreted and understood, can be most helpful at curriculum-choice time. To insure the positive use of the information — parents, who are welcome at all times, are sent individual invitations to come to school, in order that everyone concerned may have the fullest possible share in the decisions which must be made. There is good reason to believe that the tests as used here are helping to make for happier, more successful, and better understood individuals.

ELEMENTARY SCHOOLS

Reduction in Oversized Classes

The reduction in the size of our classes in the elementary schools as a result of the opening of the new Cold Spring building in September was one of the most important steps taken toward the improvement of our school work. Five teachers were added to our staff. In 1950 there were 27 classes having over 30 pupils, of which 15 had 35 or more, the largest being 41. This year 21 have 30 or more pupils, of which only 2 have 35 or more pupils, the largest being 36. The average class size exclusive of the Practical Arts groups was 34 in 1950-51 as compared with an average class size of 27 this school year.

Instructional Material

The introduction of new arithmetics was completed with the opening of school in September. The new language series will be completely installed in 1952. Early replacement of spelling books should be made and attention given to handwriting materials and methods. A collection of elementary science materials with cabinet for orderly arrangement and safe-keeping would be of much assistance for the purpose of illustrating Science instruction and is very desirable for each elementary building.

Visual Aids

The visual aids program has been extended by the purchase of film strips and necessary equipment, each major school building now being supplied with a motion picture projector and several have film strip projectors. The purchase of opaque projectors has been started. The steady development of the visual education program is due to the well-established facts that a large percentage of what children learn is learned through the eye and that far greater interest in a subject is aroused among children if discussion and reading are accompanied by visual aids such as still or motion pictures.

Local History

Under a recent state law, school pupils are required to

study local history. Plymouth pupils are unusually fortunate to live in a community with a background of history so rich and inspiring. A committee of teachers has been formed and plans are being made for the children of certain grades to visit our most historic scenes under competent leadership. It is believed that this plan of visits will deepen their interest as well as extend their knowledge.

Annual Achievement Tests

The school's contribution to the pupil's growth embraces much more than assisting him in developing the knowledges and skills in reading, writing, and arithmetic. However, such training is recognized as a very definite responsibility of the elementary schools. It seems desirable, therefore, at least once a year to give a standardized test in the fundamental subjects to pupils in the elementary grades to determine how well this objective is being accomplished. Such a test, namely the Metropolitan Achievement Test, was given to our Plymouth pupils in early May. We are gratified that in terms of national norms for these tests our first-grade averages were up to standard in number work and were equivalent to the first month of the second year in reading. Our second-grade pupils on the average were doing early third grade work in reading, arithmetic, and spelling. The Plymouth third and fourth grade pupils were on the average up to grade in arithmetic and above grade in reading and spelling. The fifth grade was doing early sixth grade work in all subjects. The sixth grade results were equivalent to the eighth month of the seventh grade in arithmetic and the ninth month of the seventh grade in reading. In English their average achievement was early eighth grade on the national standard. Since these sixth grade pupils represent the last year in the elementary schools, the results of these tests seem to justify the conclusion that very faithful and able work is being accomplished by our elementary teachers and pupils in laying a foundation for further work in the Junior and Senior High Schools.

PLYMOUTH SCHOOL COSTS—NOT EXCESSIVE RELATIVELY

The annual comparison of school costs in Plymouth with those of 24 other Massachusetts towns, the 12 next larger and 12 next smaller than Plymouth and having our type of school organization, shows that Plymouth's costs were about average for the group during the school year 1950-51, the per-pupil expenditure being \$206. It is interesting to observe from the accompanying table that within this group of towns Plymouth stands a little higher than the mid-position in the amount of assessed valuation per pupil. Our school tax per pupil for the fiscal year 1950 was \$13.80 per thousand as compared with the median tax of \$15.35 in Reading. The proportion that the school tax is of the total tax for the same year in Plymouth was 34% as compared with the median figure of 38% in Marblehead. These data indicate rather clearly that Plymouth school costs are not excessive when compared with those of other communities in this classification.

* * * * *

It is with much satisfaction that we have been able to report definite progress during 1951 in important aspects of our educational program. Progress, however, must be continuous and we bespeak the co-operation of Plymouth citizens in the continuous effort to make our school opportunities worthy of our children.

Respectfully submitted,

E. Harold Donovan, Chairman

ASSISTANT SUPT. OF SCHOOLS

SCHOOL HEALTH DEPARTMENT

School Physicians: FRANK J. ABATE, JR., M.D.
MEDORA V. EASTWOOD, M.D.
School Nurse: HILDA SWETT

During the past year the schools have been relatively free from contagious diseases.

In connection with the hearing tests, we are glad to report the acquisition of a valuable piece of new equipment, namely the Maico Audiometer. This instrument has several advantages over the older type of audiometer which has been in use for many years. The Maico is adaptable to testing individual pupils as well as to the testing of groups. Also, it uses a vibrating note instead of spoken numerals. This enables us to give the screening test to children in the lower grades which we were not able to do satisfactorily with the older instrument. This feature is superior to the old machine in the detection of early signs of hearing deterioration in pupils of any age.

In the giving of the physical examinations, one defect found in many of our pupils seems to be that of poor posture. This is due mainly to lack of proper home training. Improperly fitted school desks may also contribute.

During the past two years, we have experimented with the plan set forth in a newly adopted state law relating to health examinations of children. This amendment permits the examination of children on alternate years with the expectation that parents will be present during the examination. Much can be said in favor of this new plan. For our community, however, we feel that so few of the parents have accompanied their children during the past two years when we have been experimenting with this method that the older plan of an examination every year is more advantageous. We intend to continue the annual examination until such time as the parents in

larger numbers indicate their intention to be present when the physical examinations are given their children.

One member of the Health staff has again taken the course given to School Physicians at the Harvard School of Public Health last spring and found this course not only inspirational but also very instructive.

May we again mention as in previous reports the need of a Health Council in our schools in order to correlate the three phases of school health, namely: 1. Health Services, 2. Physical Education, and 3. Health Teaching.

We have in the past few years had much better co-operation on the part of the parents in the correction of physical defects found in their children. Parents have been more ready to permit the school nurse to take difficult cases to the various clinics in order that the defects may be studied and remedial measures applied. For all co-operation we have received, your Health Staff is truly grateful.

Children having attention of family dentist	42
Oral hygiene talks by Hygienist in grades 1 - 4	334

Obviously in any school system there are some children who because of financial conditions cannot have the necessary reparative work done at customary costs. A substantial number of such cases are found as late as grades 7, 8, and 9. It is the aim of the dental clinic to follow up these cases until appropriate remedial measures can be found.

The Fluoridation of the water supply as a general means of deterring dental decay among school children is under study and seems to hold interesting possibilities.

Work Accomplished at Dental Clinic
